Extra Curricular and Curricular Extension Activity

EXTRA CURRICULAR ACTIVITIES TAKE PLACE both at lunchtimes and after school hours and it is very much hoped that parents will actively encourage their children to attend. Such participation is likely to add positively to self esteem, academic progress and community involvement.

Activities on offer vary somewhat from year to year according to the interest of the students and staff. At present, annual curricular extension trips are arranged to France and a variety of other countries. Lecture visits and Field Trips are organised in conjunction with certain courses.

Regular clubs include "Mad for Books", art, maths, music, technology, science, athletics and badminton. Daily practices and fixtures are open to all students in football, hockey, netball, rugby, cricket and basketball.

Weekly drama, dance and singing workshops involve participation and rehearsal for annual performances.

Post 16 Dress Code

Post 16 students are student leaders in a school community. Their dress and appearance must therefore be appropriate to support and encourage the ethos of the school and the uniform and appearance policies in operation in Years 7 to 11.

1. Post 16 students are not required to wear uniform but must dress appropriately for school in a casual but smart manner. They should remember that:
 - a. Tracksuits are banned.
 - b. Wearing hats indoors is forbidden.
 - c. Hooded clothing may only be worn with the hood up in extreme weather conditions.
 - d. Wearing football shirts or scarves are not allowed.
 - e. Inappropriate slogans must not be worn on clothing.
 - f. Jeans and trousers are to be smart and without rips or holes.
 - g. Outdoor coats must be removed when in the

buildings.

- h. Shorts are not appropriate for school.

- i. Skirts and tops for girls should be of an appropriate style and length.

2. Appearance is required to be smart and in line with the main school Years 7 to 11. Specifically:
 - a. Boy's hair should be neat and tidy of uniform length (i.e. without a 'step' or patterns cut in it), not cropped, shaven or dyed. Cult or eccentric styles are not permitted.
 - b. Boys are clean shaven.
 - c. Girl's hair should be neat and tidy, avoiding outrageous or cult styles or obvious colourings.
 - d. Body piercings and tattoos are not acceptable. Apart from the ears, no other visible body piercing is allowed, except one small discrete nose stud.

IF PARENTS HAVE ANY DOUBTS ABOUT UNIFORM, THEY SHOULD CHECK WITH THE SCHOOL BEFORE BUYING.

The school will take immediate action against students not conforming to these rules. If this is not possible, due to exceptional circumstances, parents should contact the school immediately in writing. Variations in uniform for medical reasons will need to be supported by a doctor's note.

Full school uniform must be worn at all times during the day and to and from school. The only exception to this is when playing sports at break and lunch times, when trainers may be worn.

All aspects of uniform, including boys outside coats, hats and gloves can be obtained from the preferred supplier ORC sports or the alternative supplier, Lyons School Shop.

The Ashmole Uniform can be found displayed online at the school website at www.ashmoleacademy.org.

Personal Equipment

PARENTS ARE ASKED TO HELP THEIR CHILD prepare for the next day's school each evening.

Students are expected to come to school equipped with basic items: pens, pencils, pencil sharpener, colouring pencils, eraser, reading book, allocated e-reader, highlighter, a rough book, ruler, a dictionary of suitable size and a set of mathematical instruments e.g. compasses, protractor; and a scientific calculator (FX85). All of these items are vital for successful work and progress.

Lockers are available for all students.

Please note: We do not allow chewing gum, mobiles phones, electronic games; personal music equipment or aerosol sprays to be brought into the school.

Cafeteria System

THE SCHOOL SELLS BREAKFAST AND FOOD AT morning break and lunchtime. It is served on a cafeteria basis. Students choose their food and pay the correct sums at cash tills. They eat formal meals in the refectory though some prefer to eat in the courtyard in good weather.

The cost of an average two course meal is £2.40. Students may bring sandwiches and eat them in the same area.

Healthy eating is encouraged and the new Food Standards are adhered to. Consequently, we do not sell crisps, chocolate and fizzy drinks and chips are

served only once a week.

In addition, Healthy Eating is promoted through PSHE lessons and Technology. Therefore, we advise parents also to talk to their children about this matter so that they are able to select balanced meals (possibly) for the first time, and that parents support us in their provision of packed lunches.

Parents on Income Support can complete a form on entry to the school to claim free meals.

Ashmole Parents & Friends Association (APFA) and The School Governors

CONTACT WITH PARENTS AND THEIR SUPPORT are considered essential to the success of the school. Parents automatically become members of the APFA. As well as raising large sums of money for the school, the Association provides opportunities for uniting staff and parents in a number of educational ventures.

The Parents' Association has raised money for a canopy for the outside quad and servery area, Ashmole Radio Station, a Recording Studio and most recently Outdoor Table Tennis Tables.

The school governors work enthusiastically for Ashmole's development and general well-being.

They support its functions and take an active interest in all aspects of school life.
