Welcome

Dear Post 16 Students and Parents/Carers,

Welcome to Ashmole Academy. I trust that our Sixth Form Prospectus will help you make the most appropriate decision about continuing education Post 16.

Ashmole is a high performing 11-19 mixed school that seeks to provide the highest quality of education and the highest standard of academic success for its students. We have around 1900 students on roll including a Sixth Form of around 600 students. We place emphasis on all areas of the curriculum being highly successful. However, within that, we seek to stress extracurricular Music and at the Sixth Form level, Science and Maths as particular aspects of the school's provision.

At Ashmole Academy, young people are valued. We regard academic success as vital and work very hard to ensure that all students fulfil their true potential. We have very high expectations from all our students. Ashmole Academy is also a caring school. We create an environment of tolerance and respect where aspirations and responsibilities of individuals are emphasised. We expect students to show care and respect for others.

Close co-operation between the home and school is essential if our young people are to gain the maximum benefit from their schooling. The school's strong pastoral support system enables us to develop effective home-school relationships that are beneficial to the student concerned.

Education is about preparing young people for their future. Our students leave school to go to university, college or to start a career in their chosen field of employment. To assist in the preparation for that future, the school has an extensive Sixth Form provision covering a wide range of courses, career facilities and a well proven system for helping our young people with their university applications. We also have a dedicated able, gifted and talented team to ensure that aspirational Oxbridge students or those wishing to pursue a career in medicine for example, are highly successful in their ambition.

Ashmole is a forward looking school, keen to strive for further improvements in the quality of education we provide. We recognise that the quality of facilities can help students excel. We therefore have the very best in terms of accommodation and resources providing superb opportunities for the students to increase their enjoyment of school life, as well as having the latest teaching opportunities. In 2014, the new Sixth Form Centre, with a Starbucks Café, a social learning area and a high tech study centre suitable for e-learning was opened.

I thank you for considering Ashmole and hope that the information provided in this prospectus enables you to make the best choice for you in terms of courses and institution for continued education Post 16.

TIM SULLIVAN | EXECUTIVE HEAD TEACHER

The Sixth Form Curriculum

Introduction

ASHMOLE ACADEMY OFFERS STUDENTS THE chance to continue their education in an outstanding school.

"Staff are highly aspirational for their pupils, including for sixth-form students. Staff have especially strong professional relationships with pupils."

OFSTED REPORT 2021

Ashmole provides an environment in which students can thrive. When students apply for a place in the Sixth Form it is a demonstration of their desire to continue their education in a school where excellence is a habit. All Post 16 courses require the student's whole hearted commitment in order to achieve the best possible result. The school is proud that so many of its students in Year 11 will seek to return to the Sixth Form.

General Advice

When considering Post 16 courses, parents/ carers and students need to take into account the student's intended career pathway. As most students seek to go to higher education, university course entry requirements need to be considered when choosing A-levels.

A-level Programme

The A-level programme is designed for those students who achieved high success at GCSE and plan to follow the A-level programme by securing a place at university or other higher educational institution.

In the 6th Form, all students will follow three subjects, (and for the most able, four if they wish) from a large number of choices.

Entry to Year 13 is dependent upon students passing their end of year examinations in Year 12.

Full subject details can be found in the Post 16 Information Booklet on the Academy's website.

Year 12 Choices

Many courses that students wish to study at university are based upon the knowledge and skills the students have learnt at Key Stage Four

and Five. For this reason, some A-level subjects are more frequently required for entry to degree courses than others. We recommend students pick a broad range of subjects in line with what they both enjoy and have had prior success in at GCSE. Certain subjects such as English, Maths and the Sciences may provide a wider range of degree course options in the future, however this is dependent on both the degree and the university at which they may wish to study.

Admission Criteria

Minimum Academic Entry Criteria

CURRENT YEAR 11 STUDENTS AND EXTERNAL CANDIDATES MUST have:

- A minimum of five passes at grade 5 or higher at GCSE, three of which must be a grade 6 or higher. Within these passes, there must be a grade 5 or higher in English Language and Maths.

In addition, most subjects have an extra compulsory admission requirement as set out in the table on Page 7.

“Sixth-form students appreciate the plentiful support they receive for their next steps, for example the recent careers interviews.”

OFSTED REPORT 2021

ADMISSION CRITERIA 2023

To study A-levels, students are required to attain at least three 9-6 grades including a 5 in English Language and a 5 in Mathematics.

Subject	Combined GCSE Criteria
Art & Design: Fine Art	6 in Art
Biology	7 7 in Combined Science or 7,6,6 in Triple Science and 6 in Mathematics
Business	6 in Business if studied
Chemistry	7 7 in Combined Science or 7,6,6 in Triple Science and 6 in Mathematics
Computer Science	6 in Computer Science if studied and 7 in Mathematics
Drama & Theatre Studies	6 in Drama if studied
Economics	6 in English Language or Literature and 6 in Mathematics
English Literature	6 in English Language and English Literature or an average of 6 from both subjects
Fashion & Textiles	5 in either Textiles or Product Design
French	6 in French
Further Mathematics (must be studied with A-level Mathematics)	8 or above in Mathematics
Geography	6 in Geography
History	6 in History
Mathematics	7 in Mathematics
Media Studies	6 in Media if studied
Music ^^	6 in Music and at least grade 5 in theory
Physical Education	5 in PE if studied or 6 in a Science subject
Physics	6 in Mathematics and 7 7 in Combined Science or 6 in Mathematics & 7, 6, 6 in Triple Science
Politics	6 in English Language and 6 in a Humanities subject
Product Design	5 in either Product Design, Graphics or Textiles
Psychology	6 in a Science subject and 6 in English Language and Mathematics
Religion, Philosophy & Ethics	6 in Religious Studies (full course) if studied or 6 in History or Geography or English Language or Literature
Sociology	6 in Sociology if studied
Spanish	6 in Spanish

- ^^ Music may run if sufficient numbers choose the subject. Some years there are insufficient student numbers.
- Courses and options are subject to alteration and cancellation.
- Subjects chosen for A-level must be studied at GCSE unless otherwise indicated.
- Provisional offers are made based on predicted grades.

“Throughout my Ashmole experience I have felt fully supported and the teaching has been inspiring”

YEAR 13 STUDENT

Admission Procedures

Introduction

ASHMOLE ACADEMY ("THE ACADEMY") IS A secondary academy with a sixth form located in the London Borough of Barnet which is part of Ashmole Trust Ltd, a multi academy trust ("the Trust") which also runs Ashmole Primary School, on the same site as the Academy. The Trust is the "admission authority" for the Academy and therefore responsible for determining and implementing the admission arrangements for the Academy each year in accordance with the School Admissions Code 2021 ("the Code") and other legislation. The Trust delegates this responsibility to the Local Governing Body of the Academy ("the Governing Body").

This Admission Policy applies to admission to Years 12 to 13 (the Sixth Form) at the Academy. There is a separate Admission Policy for Years 7 to 11.

Students in Year 11 at Ashmole Academy

Current Year 11 students at the Academy achieving the minimum academic entry criteria are able to transfer to Year 12 to study at advanced level, if they wish. Students are to complete and submit an internal application form by the required date, before the end of Year 11. Further details can be found on the Ashmole Academy's website.

External Candidates For Year 12

The Academy welcomes applications for admission to Year 12 from external candidates. This Admission Policy sets out the criteria which will apply to applications for the admission of external students, including the minimum academic entry criteria, which is the same for internal students and candidates. External candidates will hereafter be referred to as "candidates".

Equality and Inclusion

The Academy is fully inclusive and welcomes applications for the admission of candidates of all abilities and needs, including those with special educational needs and disabilities. The Academy fully complies with its responsibilities under the Equality Act 2010.

Candidates With An Education Health and Care Plan

There are separate statutory procedures in place which govern the admission of candidates with special educational needs ("SEN") for whom an education health and care plan ("EHC plan") has been issued by their Local Authority. Parents/ Carers of candidates with an EHC plan who wish to be admitted to Year 12 at the Academy should make their Local Authority aware of this,

so that it can consider whether to propose to name the Academy in the candidate's EHC plan in accordance with the statutory procedure.

Applications For Admission Outside Normal Age Group

Candidates achieving the minimum academic entry criteria are normally admitted to Year 12 in the September following their sixteenth birthday, having completed Year 11 at their previous school. Candidates who are older or younger than this, for whom funding is still available for the duration of their course, must obtain the Governing Body's agreement before they can be admitted. Where this is the case, the reasons why the application for admission is being made at an earlier or later age than the normal age for entry into Year 12 must be clearly stated on a separate sheet and attached to the completed Sixth Form Application for Admission. The Governing Body will make its decision on the basis of the circumstances of each case and in the best interests of the candidate concerned, with consideration of the statutory factors set out in the Code.

Current Year 11 students and external candidates should note that BTEC 1st Certificates or Diplomas, including those with merit or distinction, will not be taken into consideration when determining whether the minimum academic entry requirements will be met.

For the avoidance of doubt, once the minimum academic entry requirements have been met, all current Year 11 students and external candidates will be considered for a place on equal terms.

Current Year 11 students and external candidates should note that the Academy will not relax the minimum academic entry criteria in any circumstances. The minimum academic entry criteria have been set at the stated level to ensure that only those capable of succeeding at advanced level will transfer or be admitted to Year 12. Where a current Year 11 student or external candidate has special educational needs or a disability which they believe affected the GCSE grades achieved, they must apply to the examination board for their GCSE grade to be adjusted to take this into account, under the examination board's standard procedures in these cases. The Academy will therefore treat the actual GCSE grades achieved as having already been adjusted to take this into account.

Published Admission Number ("PAN")

The published admission number ("PAN") for external candidates in Year 12 is 30.

This means that the Academy will admit 30

external candidates if sufficient applications are received from candidates who achieve the minimum academic entry criteria, however where the number of current Year 11 students transferring to Year 12 is lower than usual, it will be possible for the Academy to admit a higher number of external candidates over the PAN.

Oversubscription Criteria

Where more applications are received from candidates than there are places available, the available places will be allocated in the following order of priority:

1. Looked After and Previously Looked After Candidates

A "looked after candidate" is a candidate who is in the care of the local authority, or is being provided with accommodation by a local authority in the exercise of its social services functions at the time of application. A "previously looked after candidate" is a candidate who was in public care, but ceased to be so because they were adopted or became subject to a Child Arrangements Order or Special Guardianship Order immediately after being in public care as well as those children who appear (to the Governing Committee) to have been in state care outside of England and ceased to be in state care as a result of being adopted. A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society. To be included in this category, the application must be supported by the relevant Local Authority's Children's Services Department. In the case of a previously looked after candidate;

- a copy of the adoption, Child Arrangements Order or Special Guardianship Order must also accompany the application for admission where a child falls under this criteria because they are subject to such an order; or
- for a child who appears to the Governing Committee to have been in state care outside of England and ceased to be in state care as a result of being adopted, parents should provide evidence to support their application under this criteria. Failure to do so will result in the child being placed into the next category that applies.

2. All Other Candidates

Candidates who do not fall into any of the categories above will be allocated places under this category by reference to the proximity of the candidate's home address (as defined by this policy) to the Academy, with those living nearer receiving higher priority.

Candidate's Home Address

The candidate's home address will be the address at which the candidate normally lives. Where a child lives with parents with shared parental responsibility, each for part of a week, the address where the child lives is determined using a joint declaration from the parents stating the pattern of residence. If a child's residence is split equally between both parents, then parents will be asked to determine which residential address should be used for the purpose of admission to school. If no joint declaration is received and the residence is split equally by the closing date for applications, the home address will be determined to be the address at which the child is registered with the doctor, however, all evidence will be taken into account and each application will be assessed on a case by case basis. No other address (including a business address) will be accepted.

Where there is an issue over whether the home address stated in the application for admission is the candidate's main home address as defined by this policy, parents or candidates may be required to provide documentary evidence to resolve the issue. This may include providing details of the times that the candidate has spent at the stated home address in the three month period immediately preceding the application deadline.

Distance Measuring

The distance between the candidate's home address (as defined by this policy) and the Academy will be measured in a straight line between the address point for the child's home, supplied by Ordnance Survey, to the school's main gate using the Council's computerised geographical information system.

In the case of buildings containing a number of different dwellings (i.e. an apartment block), the distance will be measured from the same point in the building regardless of where within the

building the candidate's home address is actually located, with the tie breaker being applied as necessary.

Tie Breaker

Where two applications cannot otherwise be separated because the distance from the candidate's home address (as defined by this policy) to the Academy is equal, the order in which places will be allocated will be determined by random lottery in the presence of a person who is independent of the Academy and the Local Authority.

Subject Oversubscription Criteria

Where more A-level subject place requests are received by external candidates for subject places available, places will be allocated by reference to the proximity of the candidate's home address (as defined by this policy) to the Academy, with those living nearer receiving higher priority.

Candidates With Parents Who Are UK Service Personnel or Crown Servants

The Academy will accept applications for the admission of the candidates who are the children of UK Armed Forces Personnel with a confirmed posting in the area of the Academy, or the children of Crown Servants returning from overseas to live in the area of the Academy, in advance of them arriving. This effectively means that these candidates do not have to be living at the stated home address at the application deadline, as all other candidates do.

The application for admission must be supported by an official letter declaring the relocation date and a Unit postal address or quartering area address, which will be used as the candidate's home address for the purpose of applying this

Admission Policy.

Application Procedure

Applications for admission to Year 12 must be made by completing and submitting a Sixth Form Application for Admission. The candidate or their parent/carer must complete an application form via the school website [www.ashmoleacademy.org/Menu/Sixth Form/Join Us](http://www.ashmoleacademy.org/Menu/Sixth%20Form/Join%20Us). Where GCSE results are not yet known, the candidate or their parent/carer must arrange for a predicted grade reference from the applicant's current school, which should be submitted to the Academy by the referee for the application to be complete. No information, other than predicted GCSE grades, will be sought from the candidate's current or previous school. The application deadline is **30th January 2023**. Applications will be accepted after this date, but will not be considered until after all applications received on or before the application deadline have been processed and conditional offers made..

Admission Appeals

There is a statutory right of appeal against the refusal of a place which will be heard before an independent panel. Full details about the statutory right of appeal, including how and when the request for an appeal must be lodged, will be confirmed in the letter confirming that the application for admission has been unsuccessful.

A request for an admission appeal must be accompanied by the grounds for making the appeal (i.e. why it is believed that this Admissions Policy does not comply with the School Admissions Code 2021 or other legislation, or was not correctly applied in relation to the application for admission). The reason for the refusal of a place should be considered before the grounds of appeal are set out.

Full details of the Admissions Policy can be found on the Academy's website.

Aims of the School

AT ASHMOLE ACADEMY, WE AIM TO ENABLE students to develop to their fullest potential in all areas of school in order to prepare them, as far as is practicable, to be responsible members of society. We create a friendly environment but insist on strict standards of behaviour and courtesy. We provide a school community which is rich in variety and diversity, where young people of all abilities and from diverse cultural backgrounds work together to achieve their personal best.

Values Education

AT ASHMOLE EVERY INDIVIDUAL IS VALUED FOR who they are and what they contribute to the school. Values Education supports the personal and social development of every pupil through the school.

We believe that all members of our community should be aspirational, supportive of each other, persistent, reflective and willing to engage at all times.

Our aspirational values will ensure that everyone in our community is committed to success for all. These are The Ashmole Values, known as the A B C of Excellence.

Our core values consist of three elements:

Achievement and Aspirations

- To empower students to acquire, demonstrate, articulate and value the depth of knowledge and skills that will support them to learn, as life-long learners.
- To participate in and contribute to the global world and practise the core values of the school: Endeavour, Reflection, Professionalism, Responsibility, Respect and Co-operation.
- Inspire students to instil high aspirations, develop a desire to learn, be creative, innovative and achieve well.
- To equip all of our students with the skills needed to become literate, fluent, well-rounded and passionate readers.
- We aim for students to leave our school equipped with the required maths and literacy skills to thrive in later life.

Behaviour and Presentation

- To empower all students to embrace learning, achieve their personal best and build their resilience and physical well-being.
- To foster the development of lively and

"In the sixth form too, the curriculum is demanding, and students' work is of a consistently excellent standard."

OFSTED REPORT 2021

enquiring minds, to enable purposeful debates and discussions through effective oracy.

- To work together to ensure every child has a positive, happy and rewarding school experience

Community and Relationships

- To provide a broad range of opportunities for personal development and growth, empowering students to become active, respectful citizens of the future.
- To create an inclusive, safe and caring school where everyone can flourish, where Equality and Diversity is valued and celebrated within both school and the wider world.
- To work in partnership with our parents, carers and the local community.

Dear Future Ashmole Sixth Formers,

The next two years of your life are arguably the most instrumental in your academic career and choosing your Sixth Form will determine your overall A-level experience. Ashmole is a place brimming with a myriad of opportunities for all students which allow them to pursue their dream careers. Not only do the staff offer their unconditional support within the lesson space, but will be there to help you thrive at any point during the day. All this to ensure that your transition into the world of university and work placement is as smooth as possible as you embark on this exciting journey.

Within Ashmole's state-of-the-art Sixth Form block we provide a wide range of facilities. Downstairs offers a collaborative learning environment with relaxed seating and booths with one of the highlights being the Starbucks, where students can enjoy beverages and a variety of hot and cold food in close proximity to their study. Through this, students have the opportunity to converse with teachers and peers outside of their designated lesson time; furthering the rapport to be built between a student and their subjects.

As well as this, the top floor houses the silent study area, where students can study independently in a completely silent environment. It consists of an array of computers and multiple seating areas perfect for revision, homework or broadening your knowledge beyond your specification. Our Sixth Form also provides online textbooks for all students, ensuring they have the best available resources necessary for success.

These environments allow students to experience the undergraduate learning style and develop independent and collaborative working skills, just as it will be at university. As well as the state of the art Sixth Form facilities, Ashmole strives to always support their Year 12 and 13 students both academically and mentally. Our Sixth Form team provides guidance and reassurance to facilitate the transition from Year 11 to the Sixth Form.

The introduction of the Ashmolean Scholar Programme allows a student to specialise in a subject they would like to take at undergraduate level. For each subject, the head of department guides the scholars in taking opportunities to enrich their passion for their chosen subject - through creating PowerPoint Presentations, leading societies, organising trips and lectures, as well as suggesting material to read - exposing themselves to new ideas. Many year 13s utilise their success in being a part of the Programme in their UCAS personal statements; as its commitment to such a unique scheme undeniably shows your aptitude and determination as a student. To represent the students, we have a senior team which consists of students who feedback queries, this allows our community to be the best it possibly can be. Additionally, in order to provide for the students, a wide variety of clubs are run and upon request societies have been set up: Femsoc, History Society, Afro-Caribbean Society and much more, as well as sports and music clubs. Ashmole will offer you the perfect support system and opportunities to succeed in whatever you endeavour to do, whilst also pursuing your extracurricular passions.

Our Sixth Form allows you to expand your horizons, and prepare for the next stages in your life.

Alicia and Joe
Head Students of Ashmole Academy

“Pupils and sixth-form students cannot praise the school highly enough. Pupils have lots of opportunities to make their voice heard. They contribute to school life through a range of committees and groups”

OFSTED REPORT 2021

Behaviour & Discipline

AN AIM OF THE ACADEMY IS TO CREATE A friendly environment while insisting on strict standards of behaviour and courtesy. The ethos of the school is founded on the quality of relationships between all who work and learn here. Such relationships are characterised by mutual respect, consideration and common courtesy, irrespective of position, gender, race, disability or culture. We all value the positive atmosphere generated at Ashmole Academy.

We aim to treat each person as an individual and expect each person to achieve high standards, displaying honesty, integrity and politeness in all situations. The school has a uniform and appearance code and requires students to arrive at school fully prepared for work. While Post 16 students do not wear uniform, students must comply with the published dress and appearance code.

Through good models of adult behaviour, consistent approaches in dealing with students and constant encouragement to develop self-esteem, we aim to engender self-discipline and autonomous adherence to high standards by all. Our strong, efficient pastoral system supports the positive working attitudes in the school.

The Head Teacher and school staff implement behaviour and discipline practices which are made explicit to students in their school planners and through assemblies and tutorial programmes. The implementation of these practices will involve both sanctions and rewards. Rewards and sanctions will be implemented consistently whilst recognising that the Head Teacher must have regard to the individual situation and the individual pupil. The Head Teacher will use his professional judgment in the implementation of these practices.

Full details can be found within our Behaviour Policy on the school website.

Principles

At Ashmole Academy we believe that the following behaviour from adults and students will encourage even higher standards of behaviour.

- Punctuality
- Clear, appropriate preparation for lessons
- Clear communication
- Clear guidance on the use of sanctions and praise
- Consistent use of praise and sanctions across all years
- Mutual respect and support

- Listening to and valuing the opinions of others
- Opportunities for student involvement at all levels
- Adults setting high and appropriate standards in behaviour, dress and expectations

Around the Academy

- All members of the school community should treat one another with respect
- Punctuality from all is absolutely necessary
- Courtesy at all times is essential in corridors and at doors

Student Work

- Any work produced should always be the best effort possible
- All work produced whether in books, for display or for reference must be treated with respect

At Ashmole Academy we value

- Telling the truth
- Keeping promises
- Respecting the rights and property of others
- Acting considerately towards others
- Taking responsibility for one's actions
- Self discipline
- Our own skills and the skills of others and will actively encourage pupils who follow these principles
- Achieving or exceeding your personal best

Dress Code

Post 16 students are student leaders in a school community. Their dress and appearance must therefore be appropriate to support and encourage the ethos of the school and the uniform and appearance policies in operation in Years 7 to 11.

1. Post 16 students are not required to wear uniform but must dress appropriately for school in a casual but smart manner. They should remember that:
 - a) Wearing hats indoors is not permitted.
 - b) Hooded clothing may only be worn with the hood up in extreme weather conditions and not in the building.
 - c) Wearing football shirts or scarves is not allowed.

- d) Inappropriate slogans must not be worn on clothing.
 - e) Jeans and trousers are to be smart and without rips or holes.
 - f) Outdoor coats must be removed when in the buildings.
 - g) In warm weather, shorts which are appropriate for a school environment, may be permitted to be worn at the discretion of the Head of 6th Form.
 - h) Skirts and tops should be of an appropriate style and length. Tops should not allow a student's midriff to be seen..
2. Appearance is required to be smart and in line with the main school Years 7 to 11. Specifically:
 - a) a) Hair must be kept clean, neat and tidy in line with our high standards of uniform.
 - b) b) Body piercings and tattoos are not acceptable. Apart from the ears, no other visible body piercing is allowed, except one small discrete nose stud.
 - c) c) Headscarves that cover the hair for religious reasons are permitted. Following consultation and for reasons of health and safety and teaching and learning interaction face veils are not permitted.

Full details can be found within our Uniform Policy on the school website.

Attendance

The most successful students have the best attendance. If students are not present in school they cannot learn. The target for each Year 12 student is 95% attendance. All Sixth Form students are required to register at 8.40am in their tutor room and attendance to all subjects will be recorded separately to registration. If they arrive after 8.40am, they will be entered as late by the Form Tutor. If a student is absent for the whole day, they must bring a written explanation signed by a parent or carer. Lateness without reasonable explanation will incur a formal detention.

The school will not authorise the taking of holidays in school time.

Year 12 students are not entitled to be off-site during the school day unless permission has been granted. However, Sixth Form students are allowed off-site at lunch time. They must wear identity badges at all times on the school site and will only be admitted to the site if wearing their identity badge.

Able, Gifted and Talented

AT ASHMOLE WE INTEND TO PROVIDE AN Education suitable for all students and where every child can make excellent progress. In January 2015, the school achieved the NACE Challenge Award. This Award is the highest accolade awarded by the National Association for Able Pupils in Education (NACE). To achieve this the school was visited by NACE inspectors who observed lessons, inspected pupils' work and spoke to parents, staff and governors.

To ensure that more able students make excellent progress, we identify them on the School Able, Gifted and Talented Registers. Such students have all round ability, across the core subjects of English, Mathematics and Science and have developed to a level significantly ahead of their year group. These students enter the Sixth Form with an average grade of 7, 8 or 9 across their GCSE subjects, including English Language and Mathematics.

In an increasingly competitive world, it is important that we guide and support our able learners so that their applications for higher education and employment are as enriched as possible. To achieve this, we have created a bespoke programme for our able learners developing key skills and offering an insight into future careers. The programme involves a variety of activities including opportunities to visit higher education institutions to encourage aspiration. In addition, students can make use of Firefly – our virtual learning environment. The Able, Gifted and Talented pages are filled with suggestions for able students to extend their learning. There are also suggestions for wider reading and exhibitions along with information on events and courses. Each subject area also provides an Able, Gifted and Talented section with resources to extend learning.

Classroom teachers plan for varied students' needs through learning in all lessons and all students are stretched by the activities they complete, whatever their starting point. Departments recognise those that have strengths in their subject area and plan accordingly. In addition, able students are mentored following attainment checks and

examinations. Each faculty has a named staff member who supports the needs of able learners. Most of our Able, Gifted and Talented students are likely to follow a university career at prestigious institutions such as Oxford, Cambridge, Imperial College, LSE and other Russell Group Universities and the UCAS process formally starts in Year 12. The school fully supports students in their ambitions. Students are encouraged to attend our 'Able, Gifted and Talented' Clinic on Wednesdays after school. Teaching staff and individual mentors also advise on such matters. The school has a team of specialist staff for Able, Gifted and Talented students including an Able, Gifted and Talented Manager and a Co-ordinator.

Oxbridge Programme

A successful Oxbridge programme has been developed for able students with aspirations to apply to Oxford or Cambridge. This bespoke programme begins in Year 12 and provides individual advice, guidance and support for potential Oxbridge applicants. The programme includes assessment test practice, interview skills and specialist UCAS mentoring. Weekly debating sessions are run by the Able Gifted and Talented Lead Teacher to support the interview process. Year 12 students also have the opportunity to attend Lumina, a week-long application preparation course.

MedSoc Programme

Ashmole's MedSoc is well established and meets weekly to provide extensive information, advice and guidance to aspiring doctors, dentists and vets. This includes in depth preparation work for UKCAT and BMAT. The programme is supported by visits to various institutions which have in the past included the Hunterian Museum and King's College along with workshops conducted by St George's amongst others.

LawSoc Programme

Students interested in studying for a career in Law are supported by our specialist LawSoc programme. Once again, the programme is supported by visits from representatives of City law firms and Law Schools.

Science Technology Engineering & Maths

For students with an interest in STEM subjects, the school participates in the UK Maths Challenge and the Biology and Chemistry Olympiads annually. Students who are interested in this area are given encouragement and help in applying to various programmes and summer schools.

Extra-Curricular

What is the Ashmolean Scholar Programme?

The Ashmolean Scholar Programme is an extra-curricular provision designed to help Year 12 students to immerse themselves in an individual A-level subject they are genuinely interested in, and go beyond the curriculum. By doing the programme, students can expect to develop a deep interest and understanding of their subject as well as independent thinking and learning skills. It is also a chance for students to work alongside teachers and fellow students who are equally passionate about their chosen subject. Moreover, the programme seeks to prepare students for pathways towards the most challenging and rewarding courses at the top universities, including the Russell Group universities and Oxbridge.

Who can join the programme?

Every A-level subject will have its own Scholar Programme and all Year 12 students are welcome to apply to one subject they study at A-level. The programme will best suit students who are willing to go beyond what is taught in the classroom and are committed to fulfilling the requirements of the programme.

Why become an Ashmolean scholar?

An Ashmolean scholar will become part of a team of like-minded students, who together, will develop a deep interest and understanding of their subject. Students will have extended and stretched themselves beyond the curriculum. By the end of the programme, scholars will have a wealth of evidence and experience that will help enhance their applications to study similar subjects or

courses at university.

Scholars will also have the chance to win prizes in recognition of their efforts and achievements. They will be expected to enter competitions such as the Ashmolean Project Competition. This will involve an entirely independent project of each individual or team's design, presented to a panel of judges for a chance to win a £100 prize. By the end of the programme, scholars could also be selected as their subject's Scholar of the Year, and winners will receive a £250 prize. Scholars of the Year will then be put forward for the main Head Teacher's Ashmolean Scholarship Award. The recipient of this top award will receive the top prize of £750.

"The Ashmolean Scholar programme is highly rated by sixth-form students. They like how it aims to broaden their minds and encourages them to delve into areas of interest"

OFSTED REPORT 2021

Support and Guidance

- Easter revision courses
- After school and lunch time revision sessions
- One to one tutorials with teachers on request
- Able, Gifted and Talented programme
- UCAS mentoring

Responsibilities

- Each student completes a fortnightly duty which could include:
 - a. Helping in lessons
 - b. Peer Mentoring
 - c. Supporting other students with Maths intervention sessions

Able, Gifted and Talented programme

- MEDsoc – advice and guidance for prospective Medics
- UNIsoc – advice, guidance and speakers to help with university applications
- HUMsoc – advice and guidance for Humanities students
- MATHsoc – advice and guidance for students wishing to study Maths and Engineering
- Opportunities to visit Higher Education Institutions
- Advice and guidance with application to University Summer Schools and Subject Workshops
- Personalised support and guidance for Oxbridge applicants
- G & T drop-in clinic each week
- The Ashmolean Lecture Series – formal lectures run by staff and external speakers
- Visits from aspirational speakers

Enrichment

- Enrichment is about 'enhancing' the curriculum and students' general learning experiences. Higher Education establishments and employers are increasingly keen to read references about interesting, well rounded individuals who have experienced far more than just their academic subjects.
- Enrichment activities are focussed on building up students' portfolios for Higher Education and employment.
- There are a number of enrichment activities that students can be involved with throughout the year such as specialist programme for able, gifted and talented, performing arts, sport, music, Equality Committee and many more.
- As well as the variety of different activities enrichment also includes advice on how to find work experience, competitions, visits to museums and attending lectures.

Sixth Form Activities

Trips

- New York Trip
- Theatre trips to National Theatre and Barbican
- Biology field trip
- Trips to National Medical Research Council and Hunterian Museum
- Geography field trip
- Duke of Edinburgh trips
- Higher Education Conference
- Visits to Oxford and Cambridge Colleges

“Ashmole has always had a welcoming environment which has always kept me motivated in my studies”

YEAR 12 STUDENT

“The teachers at Ashmole Academy have been an inspiration and have had a huge impact on my daughter’s success and academic achievement”

YEAR 13 PARENT

Student Welfare

THE SCHOOL IS FIRMLY COMMITTED TO providing a supportive and caring learning environment that fosters academic success where sixth form students enjoy their time at school.

We welcome students joining Ashmole Academy for their Post 16 education. The school appreciates that a move to a new environment is a big step and that students will benefit from increased pastoral care.

The school provides an extensive induction programme for all new students. Each new entrant will be given a buddy who is currently studying at the school. The school also has a student leader as a spokesperson/mentor for new entrants.

For all sixth form students, the school has a team of professional staff dedicated to assisting with student welfare matters. The team includes Assistant Head Teachers, Sixth Form Student Guidance & Support Manager, Form Tutors, Learning Mentors, a UCAS advisor, an Able, Gifted and Talented Co-ordinator and Manager and the access to a Careers Advisor and a personal counsellor ensuring that every student receives the highest standard of care and guidance.

Safeguarding Statement

Ashmole Academy is committed to safeguarding and promoting the welfare of children and expects all staff to share this commitment. The health and safety of all children is paramount. As a school, we will take all reasonable action to ensure the safety and wellbeing of our students. In cases where the school has reason to be concerned that a child may be subject to ill treatment, neglect or other forms of abuse, staff must follow the Trust’s Safeguarding Policy, which is in line with the DfE keeping children safe in education, and inform the Children’s Social Care Services of their concerns.

“I am extremely pleased with the high level of teaching that my children have received at Ashmole Academy. The teachers have enabled my children to excel in every way which I feel has helped them develop a passion for learning.”

Facilities & Activities at the Academy

THE ACADEMY HAS EXTENSIVE FACILITIES which include a dedicated suite of Science laboratories, an outside classroom, a Technology block, a Performing Arts Centre, a large Library with computer facilities, an Editing Suite and other areas dedicated to subjects such as Languages, Humanities and Mathematics. The school also has a suite of Art rooms including an Art Graphics area and a dedicated set of ICT rooms. Sporting facilities are extensive with a Gym, Sports Hall,

Multi-games area (tennis, basketball and netball), an all-weather pitch and sports fields for football, cricket and athletics.

In 2014 a state of the art Sixth Form Centre was opened which is complete with a modern social learning area and a high tech study centre with the latest computer and tablet technology. Situated in the social area is also a Starbucks café for the use of Sixth Form students.

“Excellent teaching, excellent staff, excellent environment.”
OFSTED REPORT

The School Day

08.40-09.00	Y12 Form Time/Assembly (Monday-Friday) Y13 Form Time/Assembly (Monday-Wednesday)
9:00-10:00AM	Lesson 1
10:00-11:00AM	Lesson 2
11:00-11:15AM	Y13 Break Y12 Form Time 2
11:15-11:30AM	Y12 Break Y13 Form Time 2
11:30-12.30PM	Lesson 3
12:30-1:30PM	Lesson 4
1:30-2.20PM	Lunch
2:20-3.20PM	Lesson 5

Personal Equipment

SIXTH FORM STUDENTS ARE RESPONSIBLE FOR bringing their own basic equipment to school. Sixth Form students are allowed to bring personal items such as mobile phones, tablets and laptops. However, the use of these items is restricted to the Sixth Form Centre. As with all valuables, students bring such items at their own risk and the school accepts no responsibility for them.

Lockers are available for Sixth Form use.

Cafeteria System

The Starbucks cafeteria is situated in the Sixth Form Centre and is open between 8.00am and 3.40pm for Sixth Form Students only, selling hot and cold drinks and snacks.

The school refectory sells hot and cold food at morning break and lunchtime with Sixth Form Students taking priority in the queue. They eat formal meals in the Refectory, though some prefer to eat in the canopy area or the Sixth Form Centre.

The average cost of a two course meal is currently £2.75.
