Welcome

Dear Post 16 Students and Parents/Carers,

Welcome to Ashmole Academy. I trust that our Sixth Form Prospectus will help you make the most appropriate decision about continuing education Post 16.

Ashmole is a high performing 11-19 mixed school that seeks to provide the highest quality of education and the highest standard of academic success for its students. We have around 1700 students on roll including a Sixth Form of around 550 students. We place emphasis on all areas of the curriculum being highly successful. However, within that, we seek to stress extracurricular Music and at the Sixth Form level, Science and Maths as particular aspects of the school's provision.

At Ashmole Academy, young people are valued. We regard academic success as vital and work very hard to ensure that all students fulfil their true potential. We have very high expectations from all our students. Ashmole Academy is also a caring school. We create an environment of tolerance and respect where aspirations and responsibilities of individuals are emphasised. We expect students to show care and respect for others.

Close co-operation between the home and school is essential if our young people are to gain the maximum benefit from their schooling. The school's strong pastoral support system enables us to develop effective home-school relationships that are beneficial to the student concerned.

Education is about preparing young people for their future. Our students leave school to go to university, college or to start a career in their chosen field of employment. To assist in the preparation for that future, the school has an extensive Sixth Form provision covering a wide range of courses, career facilities and a well proven system for helping our young people with their university applications. We also have a dedicated able, gifted and talented team to ensure that aspirational Oxbridge students or those wishing to pursue a career in medicine for example, are highly successful in their ambition.

Ashmole is a forward looking school, keen to strive for further improvements in the quality of education we provide. We recognise that the quality of facilities can help students excel. We therefore have the very best in terms of accommodation and resources providing superb opportunities for the students to increase their enjoyment of school life, as well as having the latest teaching opportunities. In 2014, the new Sixth Form Centre, with a Starbucks Café, a social learning area and a high tech study centre suitable for e-learning was opened.

I thank you for considering Ashmole and hope that the information provided in this prospectus enables you to make the best choice for you in terms of courses and institution for continued education Post 16.

TIM SULLIVAN | EXECUTIVE HEAD TEACHER

The Sixth Form Curriculum

Introduction

ASHMOLE ACADEMY OFFERS STUDENTS THE chance to continue their education in an outstanding school.

"...standards in sixth form are outstanding. Students value the excellent guidance and support they receive from subject teachers and tutors. This very effective partnership of teachers and students working together is at the heart of high attainment in the sixth form."

OFSTED

Ashmole provides an environment in which students can thrive. When students apply for a place in the Sixth Form it is a demonstration of their desire to continue their education in a school where excellence is a habit. All Post 16 courses require the student's whole hearted commitment in order to achieve the best possible result. The school is proud that so many of its students in Year 11 will seek to return to the Sixth Form.

General Advice

When considering Post 16 courses, parents/ carers and students need to take into account the student's intended career pathway. As most students seek to go to higher education, university

course entry requirements need to be considered when choosing A-levels or BTEC courses.

The Sixth Form Curriculum Structure

Ashmole's Post 16 curriculum is divided into two distinct provisions:

- A-level
- Business BTEC Extended Diploma [internal students only]

The majority of Sixth Form students follow A-level courses, which are also available to external students.

A-level Programme

The A-level programme is designed for those students who achieved high success at GCSE and plan to follow the A-level programme by securing a place at university or other higher educational institution.

In the 6th Form, all students will follow three subjects, (and for the most able, four if they wish) from a large number of choices.

Entry to Year 13 is dependent upon students passing their end of year examination in Year 12.

Full subject details can be found in the Post 16

Information Booklet on the Academy's website.

BTEC Extended Diploma

Students can choose the BTEC Extended Diploma in Business (internal students only). The programme takes the time of three A-levels. The BTEC Extended Diploma Programme is delivered over 2 years. Students must successfully pass Year 12 in order to continue into Year 13.

Year 12 Choices

Many courses that students wish to study at university are based upon the knowledge and

skills the students have learnt at Key Stage Four and Five. For this reason, some A-level subjects are more frequently required for entry to degree courses than others. We recommend students pick a broad range of subjects in line with what they both enjoy and have had prior success in at GCSE. Certain subjects such as English, Maths and the Sciences may provide a wider range of degree course options in the future, however this is dependent on both the degree and the university at which they may wish to study.

Admission Criteria

Minimum Academic Entry Criteria

CURRENT YEAR 11 STUDENTS AND EXTERNAL candidates must have:

- A Level: A minimum of five passes at grade 5 or higher at GCSE, three of which must be a grade 6 or higher. Within these passes, there must be a grade 5 or higher in English Language and Maths.
- For internal Year 11 students only, the Academy offers a BTEC Extended Diploma. The entry criteria for BTEC is: 5 or more GCSE grades of 9–4, including English Language & Maths and 4 in Business if studied.

In addition, most subjects have an extra compulsory admission requirement as set out in the table on Page 7.

Entry to Year 13

Entry to Year 13 is dependent upon students passing their end of year examination in Year 12.

BTEC Extended Diploma Entry Criteria

Entry to the BTEC National Extended Diploma Programme is restricted to Year 11 students of Ashmole Academy.

“Exceptionally good work in basic skills and enterprise education promotes students’ effective preparation for their future lives and employment.”

OFSTED REPORT

ADMISSIONS CRITERIA 2022

To study A-levels, students are required to attain at least three 9-6 grades including a 5 in English Language and a 5 in Mathematics.

| Subject | Combined GCSE Criteria |
|---|--|
| Art & Design: Fine Art | 6 in Art |
| Biology | 7 7 in Combined Science or 7,6,6 in Triple Science |
| Business | 6 in Business if studied |
| Chemistry | 7 7 in Combined Science or 7,6,6 in Triple Science |
| Computer Science | 6 in Computer Science if studied and 7 in Mathematics |
| Drama & Theatre Studies | 6 in Drama if studied |
| Economics | 6 in English Language or Literature and 6 in Mathematics |
| English Literature | 6 in English Language and English Literature or an average of 6 from both subjects |
| Fashion & Textiles | 5 in either Textiles or Product Design |
| French | 6 in French |
| Further Mathematics (must be studied with A-level Mathematics) | 8 or above in Mathematics |
| Geography | 6 in Geography |
| History | 6 in History |
| Mathematics | 7 in Mathematics |
| Media Studies | 6 in Media if studied |
| Music ^^ | 6 in Music and at least grade 5 in theory |
| Physical Education | 5 in PE if studied or 6 in a Science subject |
| Physics | 6 in Mathematics and 7 7 in Combined Science or 6 in Mathematics & 7,6,6 in Triple Science |
| Politics | 6 in English Language and a Humanities subject |
| Product Design | 5 in either Product Design, Graphics or Textiles |
| Psychology | 6 in a Science subject and 6 in English Language and Mathematics |
| Religion, Philosophy & Ethics | 6 in Religious Studies (full course) if studied or 6 in History or Geography or English Language or Literature |
| Sociology | 6 in Sociology if studied |
| Spanish | 6 in Spanish |
| BTEC Extended Diploma in Business (internal students only) | 5 or more GCSE grades 9-4, including English Language & Mathematics and a 4 in Business if studied |

- ^^ Music may run if sufficient numbers choose the subject. Some years there are insufficient student numbers.
- Courses and options are subject to alteration and cancellation.
- Subjects chosen for A-level must be studied at GCSE unless otherwise indicated.
- Provisional offers are made based on predicted grades.

“Throughout my Ashmole experience I have felt fully supported and the teaching has been inspiring”

YEAR 13 STUDENT

Admissions Procedures

Introduction

ASHMOLE ACADEMY ("THE ACADEMY") IS A secondary academy with a sixth form located in the London Borough of Barnet which is part of Ashmole Academy Trust Ltd, a multi academy trust ("the Trust") which also runs Ashmole Primary School, on the same site as the Academy. The Trust is the "admission authority" for the Academy and therefore responsible for determining and implementing the admission arrangements for the Academy each year in accordance with the School Admissions Code 2021 ("the Code") and other legislation. The Trust delegates this responsibility to the Local Governing Body of the Academy ("the Governing Body").

This Admission Policy applies to admission to Years 12 to 13 (the Sixth Form) at the Academy. There is a separate Admission Policy for Years 7 to 11.

Students in Year 11 at Ashmole Academy

Current Year 11 students at the Academy achieving the minimum academic entry criteria are able to transfer to Year 12 to study at advanced level, if they wish. Students are to complete and submit an internal application form by the required date, before the end of Year 11. Further details can be found on the Ashmole Academy's website.

External Candidates For Year 12

The Academy welcomes applications for admission to Year 12 from external candidates. This Admission Policy sets out the criteria which will apply to applications for the admission of external students, including the minimum academic entry criteria, which is the same for internal students and candidates. External candidates will hereafter be referred to as "candidates".

Equality and Inclusion

The Academy is fully inclusive and welcomes applications for the admission of candidates of all abilities and needs, including those with special educational needs and disabilities. The Academy fully complies with its responsibilities under the Equality Act 2010.

Candidates With An Education Health and Care Plan

There are separate statutory procedures in place which govern the admission of candidates with special educational needs ("SEN") for whom an education health and care plan ("EHC plan") has been issued by their Local Authority. Parents/ Carers of candidates with an EHC plan who wish to be admitted to Year 12 at the Academy should make their Local Authority aware of this,

so that it can consider whether to propose to name the Academy in the candidate's EHC plan in accordance with the statutory procedure.

Applications For Admission Outside Normal Age Group

Candidates achieving the minimum academic entry criteria are normally admitted to Year 12 in the September following their sixteenth birthday, having completed Year 11 at their previous school. Candidates who are older or younger than this, for whom funding is still available for the duration of their course, must obtain the Governing Body's agreement before they can be admitted. Where this is the case, the reasons why the application for admission is being made at an earlier or later age than the normal age for entry into Year 12 must be clearly stated on a separate sheet and attached to the completed Sixth Form Application for Admission. The Governing Body will make its decision on the basis of the circumstances of each case and in the best interests of the candidate concerned, with consideration of the statutory factors set out in the Code.

Current Year 11 students and external candidates should note that BTEC 1st Certificates or Diplomas, including those with merit or distinction, will not be taken into consideration when determining whether the minimum academic entry requirements will be met.

For the avoidance of doubt, once the minimum academic entry requirements have been met, all current Year 11 students and external candidates will be considered for a place on equal terms.

Current Year 11 students and external candidates should note that the Academy will not relax the minimum academic entry criteria in any circumstances. The minimum academic entry criteria have been set at the stated level to ensure that only those capable of succeeding at advanced level will transfer or be admitted to Year 12. Where a current Year 11 student or external candidate has special educational needs or a disability which they believe affected the GCSE grades achieved, they must apply to the examination board for their GCSE grade to be adjusted to take this into account, under the examination board's standard procedures in these cases. The Academy will therefore treat the actual GCSE grades achieved as having already been adjusted to take this into account.

Published Admission Number ("PAN")

The published admission number ("PAN") for external candidates in Year 12 is 30.

This means that the Academy will admit 30

external candidates if sufficient applications are received from candidates who achieve the minimum academic entry criteria, however where the number of current Year 11 students transferring to Year 12 is lower than usual, it will be possible for the Academy to admit a higher number of external candidates over the PAN.

Oversubscription Criteria

Where more applications are received from external candidates than there are places available, the available places will be allocated in the following order of priority:

1. Looked After and Previously Looked After Candidates

A "looked after candidate" is a candidate who is in the care of the local authority, or is being provided with accommodation by a local authority in the exercise of its social services functions at the time of application. A "previously looked after candidate" is a candidate who was in public care, but ceased to be so because they were adopted or became subject to a Child Arrangements Order or Special Guardianship Order immediately after being in public care as well as those children who appear (to the Governing Committee) to have been in state care outside of England and ceased to be in state care as a result of being adopted. A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society. To be included in this category, the application must be supported by the relevant Local Authority's Children's Services Department. In the case of a previously looked after candidate;

- a copy of the adoption, Child Arrangements Order or Special Guardianship Order must also accompany the application for admission where a child falls under this criteria because they are subject to such an order; or
- for a child who appears to the Governing Committee to have been in state care outside of England and ceased to be in state care as a result of being adopted, parents should provide evidence to support their application under this criteria. Failure to do so will result in the child being placed into the next category that applies.

2. All Other Candidates

Candidates who do not fall into any of the categories above will be allocated places under this category by reference to the proximity of the candidate's home address (as defined by this policy) to the Academy, with those living nearer receiving higher priority.

Candidate's Home Address

The candidate's home address will be the address at which the candidate normally lives. Where a child lives with parents with shared parental responsibility, each for part of a week, the address where the child lives is determined using a joint declaration from the parents stating the pattern of residence. If a child's residence is split equally between both parents, then parents will be asked to determine which residential address should be used for the purpose of admission to school. If no joint declaration is received and the residence is split equally by the closing date for applications, the home address will be determined to be the address at which the child is registered with the doctor, however, all evidence will be taken into account and each application will be assessed on a case by case basis. No other address (including a business address) will be accepted.

Where there is an issue over whether the home address stated in the application for admission is the candidate's main home address as defined by this policy, parents or candidates may be required to provide documentary evidence to resolve the issue. This may include providing details of the times that the candidate has spent at the stated home address in the three month period immediately preceding the application deadline.

Distance Measuring

The distance between the candidate's home address (as defined by this policy) and the Academy will be measured in a straight line between the address point for the child's home, supplied by Ordnance Survey, to the school's main gate using the Council's computerised geographical information system.

In the case of buildings containing a number of different dwellings (i.e. an apartment block), the distance will be measured from the same point in the building regardless of where within the

building the candidate's home address is actually located, with the tie breaker being applied as necessary.

Tie Breaker

Where two applications cannot otherwise be separated because the distance from the candidate's home address (as defined by this policy) to the Academy is equal, the order in which places will be allocated will be determined by random lottery in the presence of a person who is independent of the Academy and the Local Authority.

Subject Oversubscription Criteria

Where more A-level subject place requests are received by external candidates for subject places available, places will be allocated by reference to the proximity of the candidate's home address (as defined by this policy) to the Academy, with those living nearer receiving higher priority.

Candidates With Parents Who Are UK Service Personnel or Crown Servants

The Academy will accept applications for the admission of the candidates who are the children of UK Armed Forces Personnel with a confirmed posting in the area of the Academy, or the children of Crown Servants returning from overseas to live in the area of the Academy, in advance of them arriving. This effectively means that these candidates do not have to be living at the stated home address at the application deadline, as all other candidates do.

The application for admission must be supported by an official letter declaring the relocation date and a Unit postal address or quartering area address, which will be used as the candidate's home address for the purpose of applying this

Admission Policy.

Application Procedure

Applications for admission to Year 12 must be made by completing and submitting a Sixth Form Application for Admission. The candidate or their parent/carer must complete an application form via the school website [www.ashmoleacademy.org/Menu/Sixth Form/Join Us](http://www.ashmoleacademy.org/Menu/Sixth%20Form/Join%20Us). Where GCSE results are not yet known, the candidate or their parent/carer must arrange for a predicted grade reference from the applicant's current school, which should be submitted to the Academy by the referee for the application to be complete. No information, other than predicted GCSE grades, will be sought from the candidate's current or previous school. The application deadline is **28th January 2022**. Applications will be accepted after this date, but will not be considered until after all applications received on or before the application deadline have been processed and conditional offers made..

Admission Appeals

There is a statutory right of appeal against the refusal of a place which will be heard before an independent panel. Full details about the statutory right of appeal, including how and when the request for an appeal must be lodged, will be confirmed in the letter confirming that the application for admission has been unsuccessful.

A request for an admission appeal must be accompanied by the grounds for making the appeal (i.e. why it is believed that this Admissions Policy does not comply with the School Admissions Code 2021 or other legislation, or was not correctly applied in relation to the application for admission). The reason for the refusal of a place should be considered before the grounds of appeal are set out.

Full details of the admissions policy can be found on the Academy's website.

Aims of the School

AT ASHMOLE ACADEMY, WE AIM TO ENABLE students to develop to their fullest potential in all areas of school in order to prepare them, as far as is practicable, to be responsible members of society. We create a friendly environment but insist on strict standards of behaviour and courtesy. We provide a school community which is rich in variety and diversity, where young people of both genders, of all abilities and from diverse cultural backgrounds work together to achieve their personal best.

To this end, whilst recognising the importance of the home and society in the learning process for students, we seek to:

- Ensure that every student achieves their very

best, in terms of academic success, personal development, creative expression and sporting achievements.

- Equip each and every student with the skills and knowledge to become a full citizen in the 21st Century through work, leisure, community involvement and life long learning.
- Provide a safe and caring school for students to grow and develop, in a community that promotes learning as a partnership between teachers, parents, students and the community as a whole.
- Create a scientifically rich learning environment.

***Ashmole 6th Formers
are so well nurtured and
inspired to ensure that their
full potential is fulfilled, which
in turn encourages them to
become such well-balanced
adults.”***

YEAR 13 PARENT

Values Education

AT ASHMOLE EVERY INDIVIDUAL IS VALUED for who they are and what they contribute to the school. Values Education supports the personal and social development of every pupil through the school. The Ashmole values are Endeavour, Reflection, Professionalism, Responsibility, Respect and Co-operation.

Aims of Values Education

Through the Values Education Programme we aim to:

- Improve behaviour, conduct and self-confidence by developing strong values within the pupils at the school.
- Develop pupil understanding of what values are and why they are important in life.
- Encourage children to 'live the values' in all aspects of their lives both in school and out.
- Promote values to pupils in every aspect of school life.
- Promote values in the way in which adults interact with each other and with pupils.
- Enable children to focus upon the positive aspects of themselves that they can value, thereby reminding them of their individual worth, their worth in the school and wider communities and the worth of those communities themselves.
- To raise standards by promoting a school ethos that is underpinned by core values which support the development of the whole child as a reflective learner within a calm, caring, happy and purposeful atmosphere.

Dear Future Ashmole Sixth Formers,

The next two years of your life are arguably the most important so far and choosing your Sixth Form will determine your overall A-level experience. Ashmole is a place brimming with a myriad of opportunities for all students which allow them to become successful young adults. Ashmole provides outstanding support, both academically and personally, and always bears student mental health in mind throughout the two years of study. This is so that your future in university is as smooth as possible as you embark on this exciting journey. Ashmole Sixth Form always pushes students to their full potential by instilling in them the motto "Excellence is a habit".

Ashmole has built a state of the art Sixth Form block which provides a large range of facilities. The ground floor or, 'Collaborative learning Environment' is equipped with booths, large tables, benches, and more, providing students with a comfortable area to undergo productive work. One of the highlights of this area is the Starbucks, which offers beverages and a variety of hot and cold food throughout the entirety of the school day. The top floor houses the silent study area, where students can study independently in a completely silent environment. It consists of an array of computers and multiple seating areas perfect for revision, homework or broadening your knowledge beyond your specification. Our Sixth Form also provides online textbooks for all students, ensuring they have the best available resources necessary for success. These state of the art environments allow students to experience the undergraduate learning style and develop independent and collaborative working skills, just as it will be at university.

As well as the state of the art Sixth Form facilities, Ashmole strives to always support their Year 12 and 13 students both academically and mentally. Our Sixth Form team provides guidance and reassurance to facilitate the transition from Year 11 to the Sixth Form. Teachers are always there for your aid whether you have questions or just need help in motivating yourself. Everyone has the same priority: ensuring each student has the best possible Sixth Form experience possible. To represent the students, we have a senior team which consists of students who feedback queries, this allows our community to be the best it possibly can be. Additionally, in order to provide for the students, a wide variety of clubs are run and upon request societies have been set up: femsoc, badminton and basketball clubs.

Ashmole will offer you the perfect support system and opportunities to succeed in whatever you endeavour to do, whilst also pursuing your extracurricular passions. Our Sixth Form allows you to expand your horizons, and prepare for the next stages in your life.

Sybil and Asha
Head Boy and Head Girl

Behaviour & Discipline

AN AIM OF THE ACADEMY IS TO CREATE A friendly environment while insisting on strict standards of behaviour and courtesy. The ethos of the school is founded on the quality of relationships between all who work and learn here. Such relationships are characterised by mutual respect, consideration and common courtesy, irrespective of position, gender, race, disability or culture. We all value the positive atmosphere generated at Ashmole Academy.

We aim to treat each person as an individual and expect each person to achieve high standards, displaying honesty, integrity and politeness in all situations. The school has a uniform and appearance code and requires students to arrive at school fully prepared for work. While Post 16 students do not wear uniform, students must comply with the published dress and appearance code.

Through good models of adult behaviour, consistent approaches in dealing with students and constant encouragement to develop self-esteem, we aim to engender self-discipline and autonomous adherence to high standards by all. Our strong, efficient pastoral system supports the positive working attitudes in the school.

The Head Teacher and school staff implement behaviour and discipline practices which are made explicit to students in their school planners and through assemblies and tutorial programmes. The implementation of these practices will involve both sanctions and rewards. Rewards and sanctions will be implemented consistently whilst recognising that the Head Teacher must have regard to the individual situation and the individual pupil. The Head Teacher will use his professional judgment in the implementation of these practices.

The Governing Body has a firm policy against violence, being in possession of dangerous, offensive or illegal weapons, smoking, drugs, alcohol use and solvent abuse. The school openly condemns and will exclude, including permanent exclusion, for such offences. The school will take action against negative attitudes and values including bad manners, racism, sexism, bullying and anything that goes against the school's aims, code of conduct and rules.

Principles

At Ashmole Academy we believe that the following behaviour from adults and students will encourage even higher standards of behaviour.

- Punctuality
- Clear, appropriate preparation for lessons
- Clear communication
- Clear guidance on the use of sanctions and praise
- Consistent use of praise and sanctions across all years
- Mutual respect and support
- Listening to and valuing the opinions of others
- Opportunities for student involvement at all levels
- Adults setting high and appropriate standards in behaviour, dress and expectations

Around the Academy

- All members of the school community should treat one another with respect
- Punctuality from all is absolutely necessary
- Courtesy at all times is essential in corridors and at doors

Concerning Work

- Any work produced should always be the best effort possible
- All work produced whether in books, for display or for reference must be treated with respect

At Ashmole Academy we value

- Telling the truth
- Keeping promises
- Respecting the rights and property of others
- Acting considerately towards others
- Taking responsibility for one's actions
- Self discipline
- Our own skills and the skills of others and will actively encourage pupils who follow these principles
- Achieving or exceeding your personal best

We reject

- Bullying
- Cruelty/Violence
- Cheating/Deceit
- Defiance/Rudeness
- Disobedience/Irresponsibility
- Vandalism/Graffiti
- Prejudice and Discrimination including race, gender and disability
- Dishonesty/Theft
- Substance Misuse
- Illegal Activities
- Disruption of, or damage to, the learning of others
- Public Disorder

We will take action against students who practise these behaviours including exclusion, particularly where serious breaches occur or misbehaviour is repeated.

Sixth Form students are required to be excellent role models for younger students. Their position as student leaders requires them to adhere firmly to the expectations of the school. Sixth Form students are therefore required to show high standards of behaviour and a positive attitude at all times.

Dress Code

Post 16 students are student leaders in a school community. Their dress and appearance must therefore be appropriate to support and encourage the ethos of the school and the uniform and appearance policies in operation in Years 7 to 11.

1. Post 16 students are not required to wear uniform but must dress appropriately for school in a casual but smart manner. They should remember that:
 - a) Tracksuits are banned.
 - b) Wearing hats indoors is forbidden.
 - c) Hooded clothing may only be worn with the hood up in extreme weather conditions.
 - d) Wearing football shirts or scarves are not allowed.
 - e) Inappropriate slogans must not be worn on clothing.

- f) Jeans and trousers are to be smart and without rips or holes.
 - g) Outdoor coats must be removed when in the buildings.
 - h) Shorts are not appropriate for school.
 - i) Skirts and tops for girls should be of an appropriate style and length.
2. Appearance is required to be smart and in line with the main school Years 7 to 11. Specifically:
- a) Boys' hair should be neat and tidy of uniform length (i.e. without a 'step' or patterns cut in it), not cropped, shaven or dyed. Cult or eccentric styles are not permitted.
 - b) To create a clear distinction between staff and students, boys should be clean shaven. Boys who choose for religious reasons to grow a beard may do so if granted permission by the Head Teacher providing that the growth is of stubble length.
 - c) Girl's hair should be neat and tidy, avoiding outrageous or cult styles or obvious colourings.
 - d) Body piercings and tattoos are not acceptable. Apart from the ears, no other visible body piercing is allowed; expect one small discrete nose stud.
 - e) Headscarves that cover the hair for religious reasons are permitted. Following consultation and for reasons of health and safety, teaching and learning interaction face veils are not permitted.

Attendance

The most successful students have the best attendance. If students are not present in school they cannot learn. The target for each Year 12 student is 95% attendance. All Sixth Form students

are required to register at 11:00am in their tutor room. Students will have lessons prior to 11:00am which will be registered and attendance to all subjects will be recorded separately to registration. If they arrive after 11:00am, they will be entered as late by the Form Tutor. If a student is absent for the whole day, they must bring a written explanation signed by a parent or carer. Lateness without reasonable explanation will incur a formal detention.

The school will not authorise the taking of holidays in school time.

Year 12 students are not entitled to be off-site during the school day unless permission has been granted. However, Sixth Form students are allowed off-site at lunch time. They must wear identity badges at all times on the school site and will only be admitted to the site if wearing their identity badge.

Able, Gifted and Talented

AT ASHMOLE WE INTEND TO PROVIDE AN Education suitable for all students and where every child can make excellent progress. In January 2015, the school achieved the NACE Challenge Award. This Award is the highest accolade awarded by the National Association for Able Pupils in Education (NACE). To achieve this the school was visited by NACE inspectors who observed lessons, inspected pupils' work and spoke to parents, staff and governors.

To ensure that more able students make excellent progress, we identify them on the School Able, Gifted and Talented Register. Such students have all round ability, across the core subjects of English, Mathematics and Science and have developed to a level significantly ahead of their year group. These students enter the Sixth Form with 7 or more GCSE's at grades 7, 8 or 9, including English Language and Mathematics.

In an increasingly competitive world, it is important that we guide and support our able learners so that their applications for higher education and employment are as enriched as possible. To achieve this, we have created a bespoke programme for our able learners called the Ashmolean Programme. The programme involves a variety of activities including opportunities to visit higher education institutions to encourage aspiration. In addition, students can make use of Firefly – our virtual learning environment. The Able, Gifted and Talented pages are filled with suggestions for able students to extend their learning. There are also suggestions for wider reading and exhibitions along with information on events and courses. Each subject area also provides an Able, Gifted and Talented section with resources to extend learning.

Oxbridge Programme

A successful Oxbridge programme has been developed for able students with aspirations to apply to Oxford or Cambridge. This bespoke programme begins in Year 12 and provides individual advice, guidance and support for

potential Oxbridge applicants. The programme includes assessment test practice, interview skills and specialist UCAS mentoring. Weekly debating sessions are run by the Able Gifted and Talented Lead Teacher to support the interview process. Year 12 students also have the opportunity to attend Lumina, a week-long application preparation course.

MedSoc Programme

Ashmole's MedSoc is well established and meets weekly to provide extensive information, advice and guidance to aspiring doctors, dentists and vets. This includes in depth preparation work for UKCAT and BMAT. The programme is supported by visits to various institutions which have in the past included the Hunterian Museum and King's College along with workshops conducted by St George's amongst others.

LawSoc Programme

Students interested in studying for a career in Law are supported by our specialist LawSoc programme. Once again, the programme is supported by visits from representatives of City law firms and Law Schools.

Science Technology Engineering & Maths

For students with an interest in STEM subjects, the school participates in the UK Maths Challenge and the Biology and Chemistry Olympiads annually. Students who are interested in this area are given encouragement and help in applying to various programmes and summer schools.

Ashmolean Lectures

Year 12 Able, Gifted and Talented students are invited to the Ashmolean Lecture Series. This focuses upon varied topics outside of their A-level studies and is delivered by both internal and external speakers. Topics range from film and politics through to environmental issues and economics.

Classroom teachers plan for varied students' needs through differentiated outcomes and activities. Departments recognise those

that have strengths in their subject area and plan accordingly. In addition, able students are mentored following attainment checks and examinations. Each faculty has a named staff member who supports the needs of able learners. Most of our Able, Gifted and Talented students are likely to follow a university career at prestigious institutions such as Oxford, Cambridge, Imperial College, LSE and other Russell Group Universities and the UCAS process formally starts in Year 12. The school fully supports students in their ambitions.

Students are encouraged to attend our 'Able, Gifted and Talented' Clinic on Wednesdays after school. Teaching staff and individual mentors also advise on such matters.

The school has a team of specialist staff for Able, Gifted and Talented students including an Able, Gifted and Talented Manager and a Co-ordinator.

Extra-Curricular

What is the Ashmolean Scholar Programme?

The Ashmolean Scholar Programme is an extra-curricular provision designed to help Year 12 students to immerse themselves in an individual A-level subject they are genuinely interested in, and go beyond the curriculum. By doing the programme, students can expect to develop a deep interest and understanding of their subject as well as independent thinking and learning skills. It is also a chance for students to work alongside teachers and fellow students who are equally passionate about their chosen subject. Moreover, the programme seeks to prepare students for pathways towards the most challenging and rewarding courses at the top universities, including the Russell Group universities and Oxbridge.

Who can join the programme?

Every A-level subject will have its own Scholar Programme and all Year 12 students are welcome to apply to one subject they study at A-level. The programme will best suit students who are willing to go beyond what is taught in the classroom and are committed to fulfilling the requirements of the programme.

Why become an Ashmolean scholar?

An Ashmolean scholar will become part of a team of like-minded students, who together, will develop a deep interest and understanding of their subject. Students will have extended and stretched themselves beyond the curriculum. By the end of the programme, scholars will have a wealth of evidence and experience that will help enhance their applications to study similar subjects or

courses at university.

Scholars will also have the chance to win prizes in recognition of their efforts and achievements. They will be expected to enter competitions such as the Ashmolean Project Competition. This will involve an entirely independent project of each individual or team's design, presented to a panel of judges for a chance to win a £100 prize. By the end of the programme, scholars could also be selected as their subject's Scholar of the Year, and winners will receive a £250 prize. Scholars of the Year will then be put forward for the main Head Teacher's Ashmolean Scholarship Award. The recipient of this top award will receive the top prize of £750.

Support and Guidance

- Easter revision courses
- After school and lunch time revision sessions
- One to one tutorials with teachers on request
- Able, Gifted and Talented programme
- UCAS mentoring

Responsibilities

- Each student completes a fortnightly duty which could include:
 - a. Helping in lessons
 - b. Library buddy scheme
 - c. Supporting other students with Maths intervention sessions

Able, Gifted and Talented programme

- MEDsoc – advice and guidance for prospective Medics
- UNIsoc – advice, guidance and speakers to help with university applications
- HUMsoc – advice and guidance for Humanities students
- MATHsoc – advice and guidance for students wishing to study Maths and Engineering
- Opportunities to visit Higher Education Institutions
- Advice and guidance with application to University Summer Schools and Subject Workshops
- Personalised support and guidance for Oxbridge applicants
- G & T drop-in clinic each week
- The Ashmolean Lecture Series – formal lectures run by staff and external speakers
- Visits from aspirational speakers

Enrichment

- Enrichment is about 'enhancing' the curriculum and students' general learning experiences. Higher Education establishments and employers are increasingly keen to read references about interesting, well rounded individuals who have experienced far more than just their academic subjects.
- Enrichment activities are focussed on building up students' portfolios for Higher Education and employment.
- There are a number of enrichment activities that students can be involved with throughout the year such as specialist programme for able, gifted and talented, performing arts, sport, music and many more.
- As well as the variety of different activities enrichment also includes advice on how to find work experience, competitions, visits to museums and attending lectures.

Sixth Form Activities

Trips

- New York Trip
- Theatre trips to National Theatre and Barbican
- Biology field trip
- Trips to National Medical Research Council and Hunterian Museum
- Geography field trip
- Duke of Edinburgh trips
- Higher Education Conference
- Visits to Oxford and Cambridge Colleges

“Ashmole has always had a welcoming environment which has always kept me motivated in my studies”

YEAR 12 STUDENT

“The teachers at Ashmole Academy have been an inspiration and have had a huge impact on my daughter’s success and academic achievement”

YEAR 13 PARENT

Student Welfare

THE SCHOOL IS FIRMLY COMMITTED TO providing a supportive and caring learning environment that fosters academic success where sixth form students enjoy their time at school.

We welcome students joining Ashmole Academy for their Post 16 education. The school appreciates that a move to a new environment is a big step and that students will benefit from increased pastoral care.

The school provides an extensive induction programme for all new students. Each new entrant will be given a buddy who is currently studying at the school. The school also has a student leader as a spokesperson/mentor for new entrants.

For all sixth form students, the school has a team of professional staff dedicated to assisting with student welfare matters. The team includes Assistant Head Teachers, Sixth Form Student Guidance & Support Manager, Form Tutors, Learning Mentors, a UCAS advisor, an Able, Gifted and Talented Co-ordinator and Manager and the access to a Careers Advisor and a personal counsellor ensuring that every student receives the highest standard of care and guidance.

Safeguarding Statement

Ashmole Academy is committed to safeguarding and promoting the welfare of children and expects all staff to share this commitment. The health and safety of all children is paramount. As a school, we will take all reasonable action to ensure the safety and wellbeing of our students. In cases where the school has reason to be concerned that a child may be subject to ill treatment, neglect or other forms of abuse, staff must follow the school’s Safeguarding Policy, which is in line with the DfE keeping children safe in education, and inform the Children’s Social Care Services of their concerns.

“I am extremely pleased with the high level of teaching that my children have received at Ashmole Academy. The teachers have enabled my children to excel in every way which I feel has helped them develop a passion for learning.”

YEAR 13 PARENT

DESTINATION OF 6TH FORM STUDENTS (YEAR 13) 2021

University Destinations:

| UNIVERSITY DESTINATIONS 2021 | | | |
|---|--------|--------|--------|
| UNIVERSITY | % 2021 | % 2020 | % 2019 |
| Russell Group Including Oxford and Cambridge | 52 | 52 | 38 |
| Other Top Universities | 35 | 32 | 45 |
| Local Universities | 9 | 8 | 9 |
| Others | 4 | 8 | 8 |

**Russell Group represents top 24 UK universities which are committed to latest research. List includes:*

| | |
|----------------------------|--|
| University of Birmingham | University of Liverpool |
| University of Bristol | London School of Economics and Political Science |
| University of Cambridge | University of Edinburgh |
| Cardiff University | University of Exeter |
| Durham University | University of Glasgow |
| University of Southampton | University of Oxford |
| University College, London | Queen Mary, University of London |
| University of Warwick | Queen's University, Belfast |
| University of York | University of Sheffield |
| Imperial College, London | University of Manchester |
| Kings' College, London | Newcastle University |
| University of Leeds | University of Nottingham |

*** Other top universities includes those not above but in the top 50 of an independent university listing.*

List includes:

| | |
|----------------------------------|--|
| Aston University | University of Loughborough |
| University of Bath | Oxford Brookes University |
| Brunel University | University of Reading |
| City University, London | Royal Holloway, University of London |
| University of East Anglia | University of Surrey |
| University of Essex | University of Surrey |
| Goldsmiths, University of London | University of Sussex |
| Keele University | University of Swansea |
| University of Kent | St Georges, London |
| University of Lancaster | School of Oriental & African Studies, London |
| University of Leicester | |

University Destinations: Courses

| UNIVERSITY DESTINATIONS 2021 | NUMBER STUDYING |
|-----------------------------------|-----------------|

Facilities & Activities at the Academy

THE ACADEMY HAS EXTENSIVE FACILITIES taking advantage of a £14 million building programme completed in 2004. These facilities include a dedicated suite of Science laboratories, an outside classroom, a Technology block, a Performing Arts Centre, a large Library with computer facilities, an Editing Suite and other areas dedicated to subjects such as Languages, Humanities and Mathematics. The school also has a suite of Art rooms including an Art Graphics area and a dedicated set of ICT rooms. Sporting

facilities are extensive with a Gym, Sports Hall, Multi-games area (tennis, basketball and netball), an all-weather pitch and sports fields for rugby, football, cricket and athletics.

In 2014 a state of the art Sixth Form Centre was opened which is complete with a modern social learning area and a high tech study centre with the latest computer and tablet technology. Situated in the social area is also a Starbucks café for the use of Sixth Form students.

“Excellent teaching, excellent staff, excellent environment.”

OFSTED REPORT

The School Day

| | |
|-------------|---|
| 08.40-09.40 | Lesson 1 |
| 09.40-10.40 | Lesson 2 |
| 10.40-11.00 | Y13 Break Time Y12 Tutor Time |
| 11.00-11.20 | Y12 Break Time Y13 Tutor Time |
| 11.20-12.20 | Lesson 3 |
| 12.20-13.10 | Lesson 4 |
| 13.10-14.00 | Lunch |
| 14.00-14.05 | Transition Time |
| 14.05-14.20 | Assembly/PM Reg Y12 – Tuesday & Thursday Y13 – Monday & Wednesday |
| 14.20-15.20 | Lesson 5 |
| 15.20 | End of School |

Personal Equipment

SIXTH FORM STUDENTS ARE RESPONSIBLE FOR bringing their own basic equipment to school. Sixth Form students are allowed to bring personal items such as mobile phones, tablets and laptops. However, the use of these items is restricted to the Sixth Form Centre. As with all valuables, students bring such items at their own risk and the school accepts no responsibility for them.

Lockers are available for Sixth Form use.

Cafeteria System

The Starbucks cafeteria is situated in the Sixth Form Centre and is open between 7.30 am and 4.30 pm for Sixth Form Students only, selling hot and cold drinks and snacks.

The school refectory sells hot and cold food at morning break and lunchtime with Sixth Form Students taking priority in the queue. They eat formal meals in the Refectory, though some prefer to eat in the canopy area or the Sixth Form Centre.

The average cost of a two course meal is currently £2.65.
