Dear Parents/Carers & Students,

**Re: Uniform & Appearance Policy 2020 - Consultation**

We would like to seek your opinion about some suggested changes to the school uniform policy.

I have attached the proposed Uniform and Appearance Policy with effect from September 2020. These changes are designed to standardise the uniform more clearly, avoiding unnecessary disputes as well as making the appearance of students smarter.

You will notice some changes to hairstyles and girls PE kit. You will also see clarity in the terminology of the type of school shoe that is acceptable.

We have two uniform suppliers Uniform 4 Kids [www.uniform4kids.com](http://www.uniform4kids.com) and OCR Sports [www.justteamsports.co.uk](http://www.justteamsports.co.uk)

Please let us know any views or observations you may have on our proposed uniform policy. The consultation will end at 9am on Thursday 23<sup>rd</sup> January 2020 and details of the consultation and the proposed uniform policy can be found on the website at [www.ashmoleacademy.org](http://www.ashmoleacademy.org).

Replies to the consultation can be sent by email to [consultation@ashmoleacademy.org](mailto:consultation@ashmoleacademy.org) or posted to the Head Teacher's PA at the school address.

Thank you for your help with this matter.

Yours sincerely

Mr B Dhinsa  
**Deputy Head Teacher**
