Dear Parents/Carers & Students,

**Re: Relationships and Sex Education 2020 - Consultation**

We would like to seek your opinion about some suggested changes to the schools current Relationships and Sex Education (RSE) policy.

I have attached the proposed RSE policy with effect from September 2020. As you may know it is already a statutory requirement that schools provide Relationships and Sex Education to its' students (Education Act, 2002, Children and Social Work Act 2017). However, the government has issued statutory guidance on the specific curriculum students are taught; RSE and Health Education Statutory guidance 2020. The attached policy reflects the changes in the statutory guidance, which becomes mandatory from September 2020.

Please let us know any views or observations you may have on our proposed RSE policy. The consultation will end at 9am on Tuesday 28<sup>th</sup> January 2020 and details of the consultation and the proposed RSE policy can be found on the website at [www.ashmoleacademy.org](http://www.ashmoleacademy.org).

Replies to the consultation can be sent by email to [consultation@ashmoleacademy.org](mailto:consultation@ashmoleacademy.org) or posted to the Head Teacher's PA at the school address.

Thank you for your help with this matter.

Yours sincerely

Mrs N Brown  
**Assistant Head Teacher**
