Dear Parent/Carer

Years 9, 10 & 12 – Duke of Edinburgh’s Award

At Ashmole Academy we encourage and support our students to undertake as many additional extra-curricular activities as possible and understand their importance in developing a young person’s confidence, talent and skills as well as supporting their UCAS application for those considering University.

One of the awards that we as a school encourage students to undertake is the Duke of Edinburgh’s Award (DofE Award). Barnet 0 -19 Service support schools, academies and colleges with the delivery of the DofE Programme across the borough. Ashmole Academy and Barnet 0 – 19 Early Help Service are working in partnership to ensure students can participate in the DofE Award.

We require any parent/carers who wish to apply for the 2020 DofE Borough Expeditions for their son/daughter, complete an online enrolment via the Barnet Youth online application which is now open. Upon application, additional information will be issued for reference to the next part of the online process; final authorisation is only granted once payments and all documentation, including the online enrolment, is received. The links to apply online are as follows:
