Public transport for school trips

Our story

Year 10 travelled to Oxford for the day for a school trip we used public transport. we walked from the school to southgate tube then use train/rail to make the rest of the journey as well as 35 minutes total walking

Dates of activity

13/03/2020 - 13/03/2020

Number of participants

60

Promote responsible behaviour on public transport

Our story

Throughout the year every pupil will go on some sort of educational school trip this could be via coach, tube or public bus all pupils are advised of school rules and behaviour whilst using public transport this also includes travel to and from school no pushing, shouting or walking in large groups blocking the pavement to walk in two's and be considerate to those using public transport.

1

Walking trips

Our story

This term Year 7 and 10 have had to go on some sort of wlaing trip this has either been walking from the school to the tube and then when arriving walking for 15minutes to venue or for Geography lesson to look at the surrounding school area and location of school to identify travel barriers and how these affect the local environment.

Dates of activity

28/02/2020 - 28/02/2020

Number of participants

300

Other curriculum activity- Geography lesson

Our story

Year 7 looked at different sustainable methods of transport and route planning from home to school during Geography lesson this is to encourage pupils to be aware of different modes and how this may affect their travel time to not only benefit the environment but also for them to identify locations and surroundings.

Dates of activity

12/02/2020 - 12/02/2020

Number of participants

193

Personal safety promotion

Our story

We have held a day around informing pupils and parents about personal safety whilst travelling to and from school including:
Tutorial programme on walking home safely (targeted at all year groups)
Police patrol on the gate after school to help monitor and enforce parking law

Dates of activity

06/02/2020 - 06/02/2020

Number of participants

125

Youth Travel Ambassadors (YTA)

Our story

Borough officer met with 12 students that will join the YTA scheme as we missed the Dragons Den event it was advised to start in September with a member of the TfL team who can deliver sessions so pupils can put together a campaign and pitch for a budget to deliver to whole school. The pupils met with local council officer who explained the programme and we are looking to take part in the 8 sessions over the year she went through sessions and brief overview of YTA and pupils are keen to get involved.

Private coaches for school trips

Our story

Year 10 used a private coach for a Geography trip this was used as we needed to get there and back at specific times and to ensure all classes arrived at the same time. We also wanted the pupils to talk about the journey whilst travelling to see route and discuss what was seen

Dates of activity

17/01/2020 - 17/01/2020

Number of participants

90

Independent travel training

Our story

All Year 7 and 8 attended a road safety workshop that promoted safety whilst travelling to and from school this was for an hour and a half in the school hall held by the Head Teacher to promote safety and peer pressure and also how to behave on public transport.

Dates of activity

09/01/2020 - 09/01/2020

Number of participants

150

Communicating with parents/carers

Our story

All parents have been asked to download an app that sends alerts and important messages and this is regularly used in relation to parking issues that seem to be a problem especially at the end of the day so alerts and pictures can be sent via the app and also policies online in regards to school rules and regulations about behaviour in and out of school whilst in uniform

Dates of activity

08/01/2020 - 08/01/2020

Number of participants

1000

Environmental benefits of active travel

Our story

Year 7 have looked into the environmental benefits of more sustainable travel to and from school the pupils walked around the local area looked at links to public transport and certain walking distances and short walking zones where air pollution was low using the BBC air pollution checker and how this helps with the environment and also helps the pupils stay fit and active.

1

Other smarter driving activity

Our story

On the 4th December we had a full day of promoting smarter driving and educating pupils throughout the day about wearing seatbelts, encouraging more walking to school and how to keep safe this was done with the local community police going into classrooms and having short talks about personal safety and then the opportunity for pupils to speak with them on a one to one basis after school they then spoke with parents about car safety.

Dates of activity

04/12/2019 - 04/12/2019

Number of participants

1250

Other road safety activity- SDSA

Our story

we attended SDSA at Tally Ho Arts Depo for a live theatre Road Safety show that showed sixth form students about safe driving and how peer pressure can also affect their safety even if not driving. It was a hard hitting show with the Police, Ambulance, Parent , and a young person who was once injured seriously with life changing injuries.
