Dear Parent/Carer

Re: Year 7 Memory Photobook

We are pleased that Year 7 have settled into the Ashmole community and are making good progress. The transition from Primary into Secondary is another milestone in their lives, which will have many happy memories. Their first day in particular is always one to remember.

We wanted to share this memory with you. On their very first day at Ashmole, we had a professional photographer come in and take photographs of the students as they walked into the Academy. He spent the morning taking additional photographs in class and finished with photographs in form groups with their tutor. This means every student will have had a photograph who attended on the first day.

We have put together all these memories into a photobook. You can purchase one of these photobooks at a price of £17. As in previous years, this has always been a popular option, however there are only a limited number of these photobooks available.

Payments for the books must be made through ParentPay. If you would like to purchase this photobook, please complete your payment by Friday 15th October so we can secure a book for you.

I am sure you will agree that this would make a lovely memory in years to come.

Yours faithfully

Mrs N Brown
Assistant Head Teacher
