Dear Parents/Carers

**RE: YEAR 9 PARENTS' EVENING**

This academic year we will be holding our Parents' Evenings online through the use of School Cloud. School Cloud is a platform that facilitates video calls between teachers, parents and students, whilst allowing parents to book their preferred time slots directly.

Our Year 9 Parents' Evening will be held on **Thursday 27<sup>th</sup> January**, between **4:30pm – 8:30pm**.

In order to begin booking appointments with your child's subject teachers, please follow the attached guidance sheet which will take you through the necessary steps. The purpose of the Parents' Evening is to share with you the progress that your child has made this academic year. These appointments are also an opportunity for you and your child to ask any questions about subjects that are being considered for study at GCSE. Due to the large number of staff who teach multiple Year 9 groups, you will be able to make a maximum of eight appointments for the evening, so you may wish to decide which subject teachers you would like to book with, before beginning the process.

You have already received your child's Interim Progress Check however this will be re-issued to you before Parents' Evening.

For additional advice on how to navigate through the appointments, please click [here](#).

The closing date for making appointments with teachers is **Tuesday 25<sup>th</sup> January**.

For parents or carers who are unable to attend the evening, please contact the school and we will arrange for your child's teachers to telephone you on another date.

Please do not hesitate to contact the school if you have any further queries.

Yours faithfully

Ms C Moon
