

6th April 2022

Dear Parents/Carers

Re: Year 7 Disco

I write to inform you that on Wednesday 27th April we will be hosting a school disco for students of Year 7 from 6.30pm to 8.30pm. The tickets for the event cost £2, payable in advance through ParentPay with the proceeds going to the APFA. There will also be a tuck shop selling soft drinks and snacks, therefore you may wish to give your child some money to spend at the event.

The students may attend in non-uniform; however, we still have the high expectations of behaviour we would do if the students were at school normally. If you have queries regarding the event, please do not hesitate in contacting myself through the school office.

Yours faithfully

Mr N Cumming
Assistant Head Teacher
