Dear Parents/Carers

Re: Road Use Near Ashmole Academy

I hope your child has settled in well to the new school year.

In this first week back at school, members of the Ashmole community have already brought to my attention their increasing concerns with dangerous and inconsiderate road use outside and near the school on Arlington Road, Cecil Road and nearby residential streets.

In order to help prevent members of our community being injured as a result of thoughtless parking or dangerous driving, I ask that parents and carers adhere to the following guidelines:

1. Do not park on the double yellow lines on all four corners of the Cecil Road/Arlington Road interchange.
2. Do not park across driveways.
3. Do not make U-turns in either road when it is unsafe to do so.
4. Keep to the registered speed limit.
5. Consider if a journey by car to the school is completely necessary.

Staff members are present at the school gate at the beginning and the end of the school day, but they clearly do not have a traffic officer's jurisdiction on public highways. Therefore a spirit of co-operation and consideration is essential to ensure pupils have a safe passage to and from school.

I welcome any further suggestions on this issue.

Kind regards,

Ms Moon
