Dear Parents/Carers

Year 8 and Year 9 Tablet Device

I am writing to you with regards to devices that your child was given last year.

As you will be aware the devices were collected in over the summer. This gave us the opportunity to update the devices and it is our intention to make sure that the devices are returned to students by the end of this week.

I would like to take this opportunity to remind you of the key enhancements the devices bring to every lesson as these devices will be used very regularly throughout the school day and it is vital that all students bring their devices fully charged to school every day. Lessons will be planned and delivered on the assumption that students have their devices and those who do not, will miss out on key elements of their learning. We will continue to support students in re-establishing good routines but it is also important that parents help us to do this.

If you have any queries regarding the devices please do not hesitate to contact the school or email staff@ashmoleacademy.org and marked for my attention.

Yours faithfully
