

2nd November 2022

Dear Parents/Carers

Re: Year 11 Year Book

There is an opportunity for your child to purchase a Year Book produced for their year group. The book contains photographs and articles covering their last five years in school. Hopefully it will serve as a reminder of their time in the school, their friends and a record of people in their year group.

The vast majority of students have indicated their interest in buying the book. To secure an order, I need to receive a payment of **£20**.

It is intended that the students receive the book on their last day of school, prior to their exams. The deadline for the payment is **Tuesday 15th November 2022** and it will not be possible to order after this date.

To make a payment, you can do so via ParentPay by clicking on the Year Book tab or alternatively, cash can be provided and given in to the Finance Office.

Yours faithfully

Ms V Clarke
