Dear Parents/Carers

**Re: New School Motto**

As we start a new year, it seems an appropriate time to highlight a small but significant change here at Ashmole Academy; we have changed the school motto.

The previous motto 'excellence is a habit' was no longer a true reflection of our principles as a school.

After much consideration our new motto will be:

**'Excellence, Aspiration and Care'.**

We feel this better encapsulates the vision and values of Ashmole Academy as we move forward. I hope you agree.

Yours faithfully

Mr T Sullivan  
**Head Teacher**
