

30th January 2023

Dear Parents/Carers

Re: NEU Strike Action – Sixth Form

Following Mr Sullivan’s letter dated Friday 27th January 2023, you will be aware that Ashmole will remain open for both Year 12 and Year 13 on Wednesday 1st February 2023.

We anticipate that the majority of lessons will go ahead as normal and therefore expect all students in the Sixth Form to attend these. As the school will not be certain of which lessons will be taking place until the morning of the 1st February, we will distribute a full summary of these lessons via Firefly by 10:00am at the latest.

There will be no tutor periods or assembly for the Sixth Form on this day. Therefore, for students who have a period one lesson on their timetable, I encourage them to come in for 9:00am and they will be directed to their lesson or the study area.

All other students should arrive for the start of their first lesson, or earlier, should they wish to use the Sixth Form study area.

Starbucks will be open all day for all students (including those who receive the Bursary) to access food and drinks.

If you have any questions regarding these plans, please get in touch with the Sixth Form team.

Yours faithfully

Mr S El Sayed
Deputy Head Teacher
