

24th February 2023

Dear Parents/Carers

Re: Year 11

On Thursday 2nd March 2023, all Year 11 students will be expected to attend school. Similar to the previous strike day on Wednesday 1st February 2023, they should go directly to the school hall for their assembly. Students should bring with them all of their subject exercise books for the day and will be told which lessons they can go to during the school day. Otherwise students will remain in the assembly hall and can use this time to revise independently or in small groups.

Students will also be completing another full GCSE past examination paper for Mathematics and will need their calculator. They will then self-assess using the official mark scheme and make any necessary corrections.

Please could students be reminded to bring in their reading book and a pair of trainers, as they may have the opportunity to either play table tennis or badminton.

Yours faithfully

Mr B Dhinsa
Senior Deputy Head Teacher
