

ASHMOLE

ACADEMY

An Ashmole Academy Trust School

Executive Head Teacher: **Mr Tim Sullivan**

1st March 2023

Dear Parent/Carer

Re: Futures Launch – Year 12

To support you and your child in choosing their next steps after 6th Form, we have organised a series of events to ensure all students are well informed about the wide range of options available to them.

w/c 27th February – students will be introduced to the Futures process during form sessions.

6:00pm-7:30pm, Wednesday 8th March – you and your child are invited to attend our Futures evening where you will hear about the programme we offer and you can attend three seminars delivered by experts from universities, apprenticeship providers and specific careers.

Thursday 23rd March – students will be off timetable periods 2-4 to attend the Ashmole Expo, a fair for students to meet representatives from universities, apprenticeship providers and over 20 careers.

Tuesday 28th March – students will attend the UCAS Discovery event at the ExCel centre. This is a fantastic opportunity to explore all of the options available to them and network with providers.

At the start of the summer term, students will meet their Futures mentor and have the chance to discuss their plans one to one. This relationship will continue up until your child has made their application in Year 13.

We have also produced a booklet of guidance to help students through this process.

I hope you find this information useful. If you have any questions or concerns, please contact me at the school.

Yours faithfully

Mr M Littleford
Assistant Head Teacher
