

3rd March 2023

Dear Parents/Carers

RE: YEAR 10 PARENTS' EVENING

This academic year we will be holding our Parents' Evenings online through the use of School Cloud. School Cloud is a platform that facilitates video calls between teachers, parents and students, whilst allowing parents to book their preferred time slots directly.

Our Year 10 Parents' Evening will be held on **Thursday 9th March 2023, between 4:30pm – 8:30pm.**

In order to begin booking appointments with your child's subject teachers, please follow the attached guidance sheet which will take you through the necessary steps.

The purpose of the Parents' Evening is to share with you the progress that your child has made this academic year and how they are progressing in their GCSE courses. During the Summer Term teachers will be working with Year 10 students to prepare them for assessments in their different subjects. This will allow both the student and teacher to see how much progress they have made, I will be writing to you shortly with more information regarding these assessments. You have already received your child's Autumn Progress Check however an additional copy of this will be sent to you before Parents' Evening.

For additional advice on how to navigate through the appointments system, please click <https://support.parentseveningsystem.co.uk/article/801-video-parents-how-to-attend-appointments-over-video-call>

The closing date for making appointments with teachers is Tuesday 7th March 2023. For parents or carers who are unable to attend the evening, please contact the school. Please do not hesitate to contact the school if you have any further queries.

Yours sincerely

Ms I Best
Assistant Head Teacher
