Dear Parent/Carer

Re: Teacher Training

I am writing to ask for your assistance with anyone you know who might be interested in training to become a Primary or Secondary school teacher.

We currently have vacancies in a number of different subject areas, and would be very much interested to hear from you, if you are thinking of becoming a teacher, or know someone who is or might be suitable, including any former students. We are looking for people who have (or will have) a degree in the subject area they would like to teach, have a passion for working with young people and want to inspire the next generation to reach their full potential.

We will provide you with an excellent training programme, with continuous support from our network of experts throughout your training year and beyond, whilst also being on an unqualified teaching salary (secondary teaching only).

We would love for you to come in and visit the school to hear about the exciting teacher training opportunities available. We will provide you with support and guidance on your application and offer you the opportunity to observe a live class if you would like a taste of what teaching could be like.

The Trust has developed a new website www.ashmoleteachertraining.org where you can find out more information, or if you prefer we can send an infinity flyer (electronic version attached).

If you are interested and want to find out more, please visit this website or complete the form below:

Thank you for your support.

Yours faithfully
