Redeem Code

Pressing **Redeem Code** will mean the log in details have now been created and the Invitation Code has served its purpose and is now redundant. Now that the **Invitation Code** and **Username** have been redeemed, the screen will update and you must now enter a **VALID** Email Address and then **CREATE** a **Password** which you will use to log in once this step is completed.

Note: The Email is only used for recovery purposes, it is **NOT** used to log in to MCAS.

Confirm Password

Save Account Details

When creating a Password, it must contain all of the following;

- Password must have
- 8 or more characters
- 1 uppercase character
- 1 numeric character
- 1 special character
- 1 lowercase character

A weak example would be Password1\$

A stronger example would be PaS5W0rd_\$

Once an **Email** and strong **Password** are entered, press **Save Account Details**.

Save Account Details

Pressing **Save Account Details** will register the Email and Password against the account, the screen will then update to say you were successful.

Finally, you will be redirected to the original log in screen – <https://www.mychildatschool.com/MCAS/MCSParentLogin>

You can now enter the **School ID**, your **Username** and **Password** before pressing Login.

Note, you **MUST** enter the School ID, your **Username** (received in **Invitation Code Email**) and your **Password** (created during the previous step) to log in to MCAS, nothing else.

You will then be taken through to your MCAS Account where you can now see MCAS for your child/children.

You can then download the MCAS App from the Play Store (Android) or App Store (Apple) to use the MCAS App on your phone.
