

Food Technology Practicals

Head to the Instagram page to see a sweet video sent in by Vivian in 7S2 of her making brownies at home!

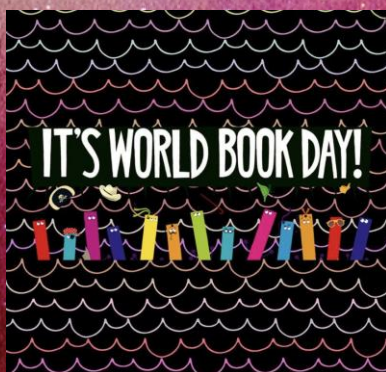

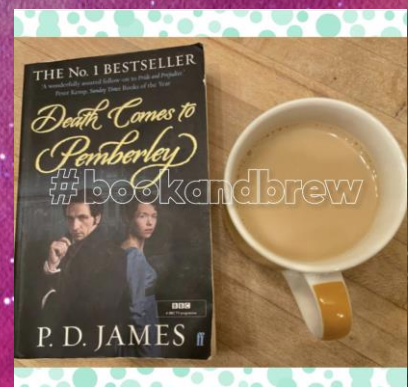

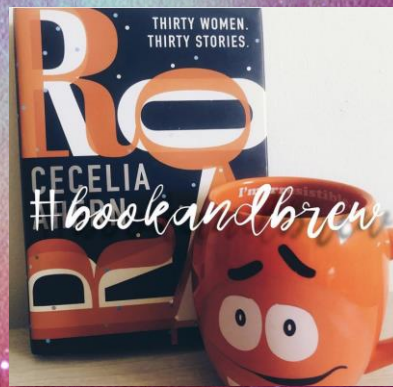

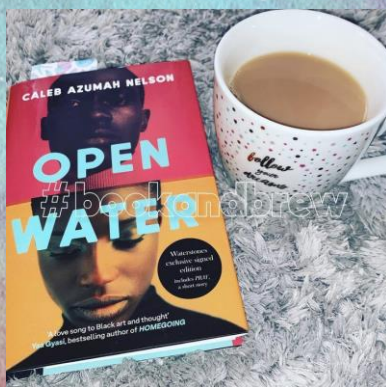

St David's Day/ Dydd Gwyl Dewi Hapus

We started off the week wishing our welsh community (staff, students and parents) a Happy St. David's Day!

Languages Bake Off

Kara made a delicious Fondant au Chocolat!

#Bookandbrew with World Book Day, three book recommendations were shared:

- **Open Water** by Caleb Azumah Nelson recommended by Tammi Humphries
- **Roar** by Cecilia Ahern recommended by Gemma Davies
- **Death Comes to Pemberley** by PD James recommended by Sharon Raizada.

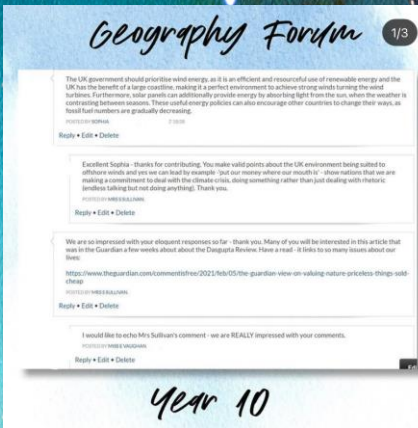

#Shelfies will return next week and please continue to send in #bookandbrews! Detailed reviews are on our Instagram!

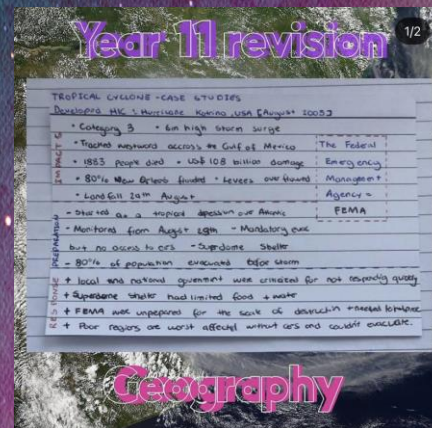

Pastoral challenges
Students in Year 9 took some beautiful photographs of nature, whilst students in Year 7 were challenged with going back to the 80s and limiting their screen time!

Geography

In lessons this week, Year 11s have been working hard and shown lots of focus with their revision. Year 10 have been contributing lots on the forum, thinking about the UK's future energy policy...

Year 10

Economics Mr Matjilla hosted a live screening of the budget with A level Economists!

Sociology Mr Louca set up a very interesting forum with his Year 12 about Green Crime and Capitalism!

KS5 Webinar Mr Gilfeather arranged for students to have a webinar with the University of Birmingham this week.

To Tokyo! Followers were kept up to date about the standings!

Please continue to send what you/ your department/ students are getting up to, even as we return to school to vau@ashmoleacademy.org
