Dear Parents/Carers

Re: Year 11 Photos

I am writing to inform you that on Thursday 21st September, Year 11 will have both their individual and year group photo, this will take place during Periods 1 and 2. A professional photography company will be taking these photographs and we expect our students to demonstrate the school values, in particular - co-operation.

These photographs will be available to purchase and further details will be sent to you in due course.

In order to make the photos run as smoothly as possible please could you ensure that your child is on time to school and that their uniform is looking smart and professional.

Many thanks for your support

Yours faithfully
