'Excellence, Aspiration and Care'

11th January 2024

Dear Parent/Carer

Re: Year 12 January 2024 Examinations

Next week Year 12 will be sitting their January examinations. This will be an opportunity for students and teachers to determine how much progress has been made across the first term of Sixth Form. More importantly, students will be given important feedback and advice supporting them to refine and develop key skills in each of their subjects.

This week, lessons will be focusing around preparation for these examinations and supporting students to revise content and practise technique.

All students have been made aware of the requirements for next week and attached is a timetable of examinations. Students are required to be in school and lessons as normal when not in an examination. If a student misses an examination, they will be required to sit that examination on the next possible occasion upon their return.

If you have any questions, please do get in touch.

Yours faithfully

Mr S Das
Head of Year 12
