Dear Parent/Carer(s)

Re: 6th Form Catering

Due to the significant increases in food and supply costs the Academy will be increasing the price of Starbucks branded food items and beverages in the 6th Form Centre Cafe. Examples of increases includes Tall Latte/Cappuccino will increase from £1.85 to £1.90, Tall Mocha will increase from £2.20 to £2.25 and Grande Hot Chocolate will increase from £1.95 to £2.00. Starbucks wafer will increase from £1.20 to £1.30.

Students will continue to receive best value by paying less than the Starbucks high street recommended retail price on Starbucks branded beverages.

Detailed price lists are available for students in the 6th Form Centre.

Please be advised that this price change will come in to **effect from 15th April 2024.**

Kind regards
