17<sup>th</sup> July 2024

Dear Parent/Carer and Student

**Re: Year 13 Examination Results**

Firstly, I would like to acknowledge the tremendous effort and dedication our Year 13 cohort has demonstrated throughout the summer term and ultimately, the examination period. It is a highly challenging and demanding time, which I am confident will reap the rewards come results day.

On Thursday 15<sup>th</sup> August 2024, A Level and BTEC Level 3 results will be emailed directly to students between 8.00am and 8.30am. A second email will be sent out shortly after the results email with details of post results services, including examination boards' grade boundaries, and we hope to be able to send students a breakdown of results. Your child should have received an email from the results team, please ask them to check that they have received this correspondence which was sent on **Monday 15<sup>th</sup> July**. If they have not, please email [exams@ashmoleacademy.org](mailto:exams@ashmoleacademy.org) by **Thursday 18<sup>th</sup> July** so that we can resolve the issue before the results day.

Please be assured that we will be able to offer support to students on results day. Alongside the results, there will be detailed advice as to who to contact in the event that students have any questions or concerns regarding their results. The Sixth Form Team will also provide UCAS support to any student on the UCAS clearing procedures if required from 8:30am on Thursday 15<sup>th</sup> August. Information which answers frequently asked questions on the clearing process can be found on Ashmole Google Sites page:

<https://sites.google.com/ashmole.online/year13/year-13-home>

Let me take the opportunity to congratulate our Year 13 students on completing their Sixth Form experience and also thank all parents/carers for their continued support over the course of the last two years. On behalf of myself and all of the staff at Ashmole Academy, we wish all students every success in the future.

Yours faithfully

Mr S El Sayed  
**Deputy Head Teacher**
