Dear Parent/Carer(s)

Re: Year 7 Art Material Pack

We are delighted to have your child partaking in the KS3 Art curriculum this academic year. With this in mind, we are keen to ensure that each student is prepared for the course, with the correct equipment and materials they will need. The school provides a large selection of equipment and materials to all students to embark on 2D, 3D, printing and ceramic work, and we recommend that all students have some personal equipment to add to this.

To complement and extend school work, and in order to complete homework effectively, we have put together an art pack of necessary equipment. It is possible to purchase this art pack in full, or to purchase the components separately. It is also acceptable to acquire the art pack elements from other outlets, or to use the equipment you already have at home.

The art pack contains:

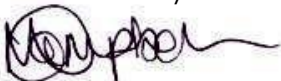

- A3 plastic folder
- 3 sketching pencils (HB, 3B, 6B)
- Eraser
- Pencil sharpener
- Watercolour paint tray
- Pack of specialist colour pencils
- Felt tip colouring pens

The cost of the pack is £13, this can be purchased by clicking on the link to the [Academy online shop](#), this will take you directly to the School's online shop.

Students in receipt of pupil premium funding may order the art pack free of charge. Any packs purchased through the school shop will be distributed to students in their Art lessons.

If you have any queries, please do not hesitate to contact me via the school office.

Yours faithfully

Miss Campbell
Head of Art
