6th October 2025

Dear Parents/Carers

Re: Year 11 Mentoring & Sixth Form Applications

As part of our programme to prepare Year 11 students for their mock examinations and applications to Sixth Form, we will begin our Year 11 Mentoring process on **Tuesday 14th October 2025, from 3:30pm–4:30pm**. This process begins with a one-to-one meeting between students and their mentor, focusing on preparation for the mock examinations as well as discussing their post-16 intentions.

The second Year 11 Mentoring session will take place in the **Spring Term**.

Throughout this term, the Sixth Form team will work closely with Year 11 students to ensure they are carefully considering the wide range of options available beyond their GCSEs and how these relate to their future career aspirations. These discussions will then be reviewed with their mentor.

Our **Sixth Form Open Evening** will take place on **Thursday 6th November**, and I look forward to meeting you in person to discuss your child's future educational options.

If you have any questions regarding the Year 11 mentoring process or Sixth Form applications, please do not hesitate to contact me.

Yours faithfully

Mr S El Sayed
Deputy Head Teacher
