7<sup>th</sup> January 2026

Dear Parent/Carer(s)

**Re: Year 9 Trip to Christ Church College, Oxford – Wednesday 4<sup>th</sup> March 2026**

As part of the Ashmolean Scholar Programme, we propose to take a group of students from Year 9 to visit our link college, Christ Church, at the University of Oxford. The trip will take place on **Wednesday 4<sup>th</sup> March 2026**.

The purpose of the visit is to introduce students to the Oxford environment and to inspire them to work towards eventual Oxbridge application. The programme includes interactive sessions with current students plus a chance to look around Christ Church and one of the other university colleges or a university museum.

**Places on this trip are limited and there is an application process. To apply for the trip students must complete an assignment that will be set in the Year 9 Google Classroom to outline how their extra-curricular learning and activities make them a good candidate to visit the University of Oxford. As this trip forms part of the Senior Scholars Programme, applications from participants in the Programme will be given priority in the selection process.**

If your child is successful in their application to attend, we will ask for a contribution to cover some of the costs of this trip, if your child has ever been in receipt of free school meals they are entitled to a reduction in the cost of the trip. Should we receive insufficient parental contributions to cover costs, we reserve the right to cancel the trip and you will receive a full refund.

Please do not hesitate to contact me should you have any queries regarding the trip.

Yours faithfully

Mr T Ford  
Senior Leader
