Dear Parent/Carer(s)

Re: Year 12 Careers Fair - Futures Day

As we continue to prioritise the academic and professional development of our students at Ashmole Academy, we are excited to announce our upcoming event called Futures Day for our Year 12 students. This event is designed to provide our students with valuable insights into various career paths, industries, and opportunities beyond secondary education. We are delighted to host apprenticeship providers, universities, alumni and business volunteers from a range of different industries.

We believe that parental involvement plays a crucial role in enriching the educational experience of our students. With this in mind, we would like to extend an invitation to you to participate in our Year 12 Careers Fair as volunteers.

The event will take place on Thursday 26th March 2026 from 9.30am – 12.45pm. As a volunteer, your role would involve sharing your professional expertise and experiences with students, engaging in discussions about different career options and pathways and providing guidance and advice to students as they explore potential career choices.

Your involvement would greatly contribute to the success of the Careers Fair and provide invaluable support to our Year 12 students as they prepare for their future endeavours. You would have your own stand and would be welcome to bring any resources that may be valuable to the students.

If you are interested in volunteering for this event, please indicate your availability by emailing careers@ashmoleacademy.org.

We understand that your time is valuable, and we appreciate any contribution you can make to this important event. Your participation will not only benefit our students but also strengthen the sense of community within our school.

Thank you for considering this opportunity to support our students' educational journey. If you have any questions or require further information, please do not hesitate to contact me.

Yours faithfully

Mr M Louca
i/c Careers and Sociology
