15th January 2026

Dear Parent/Carer(s)

Re: Year 8 Trip to the Ashmolean Museum and Botanic Garden, Oxford – 25th March 2026

As part of the Ashmolean Scholars Programme, we propose to take a group of students from Year 8 to the Ashmolean Museum and Botanic Garden in Oxford. The trip will take place on **Wednesday 25th March 2026**.

During the trip students will take part in a 'Learning from Objects' session at the Ashmolean Museum to be followed by a self-guided tour. After lunch students and school staff will walk to the Botanic Garden to take part in an 'Adaptation and Biodiversity' session.

Places on this trip are limited and there is an application process. To apply for the trip students must complete an assignment to be set in the Year 8 Google Classroom to outline why they feel they are a suitable candidate to participate. This should include any relevant hobbies, interests and/or research they may be involved in outside of school. The deadline for completion of the task is 26th January 2026. As this trip forms part of the Junior Scholars Programme, applications from participants in the Programme will be given priority in the selection process.

If your child is successful in their application to attend, we will ask for a contribution to cover some of the costs of this trip, if your child has ever been in receipt of free school meals they are entitled to a reduction in the cost of the trip. Should we receive insufficient parental contributions to cover costs, we reserve the right to cancel the trip and you will receive a full refund.

Please do not hesitate to contact me should you have any queries regarding the trip.

Yours faithfully

Mr T Ford
Senior Leader
