Dear Parent/Carer(s)

### **Re: Important Notice - Hot Weather and Adjustments to the School Day**

With the MET office issuing an Amber weather warning for next week it is anticipated to reach temperatures of 34 degrees.

In light of these conditions, students are permitted to attend school in their PE kit, including appropriate trainers, for comfort and practicality. Please remind your child to attend school with a refillable water bottle.

We will also be making temporary adjustments to the school day to support student wellbeing.

These include:

- increased opportunities for students to refill water bottles
- relocating some classes to air-conditioned or cooler areas of the school.

All PE lessons will be adapted to include activities more suitable for the high temperatures.

Thank you for your continued support and cooperation as we prioritise the health and safety of our students.

Yours faithfully

Miss V Clarke  
**Assistant Head Teacher**
