25th June 2026

Dear Parent/Carer,

Update Regarding Extreme Weather Arrangements

I would like to congratulate all of our students for demonstrating the school value of Professionalism over the last couple of days during the extremely hot weather. Many students have come prepared by bringing in hand fans to help keep themselves cool and, most importantly, they have been drinking plenty of water to stay hydrated.

A red weather warning has been issued for tomorrow, Friday 26th June, with temperatures expected to reach 36 degrees. Therefore, we will continue with the current arrangements and dismiss students from 12:40pm onwards.

We look forward to welcoming students back next week, in full school uniform, when we expect much cooler weather conditions. Please note that our Year 10 students will be attending their Work Experience Placements during this time.

Thank you for your continued support.

Yours faithfully

Mr B Dhinsa
Head Teacher
