Dear Parent/Carer(s)

Re: Year 10 Assessments

I would like to take this opportunity to commend our Year 10 students for the positive start to the year. We have received many encouraging comments from staff regarding their endeavour and professionalism.

As you are aware, the Year 10 assessment period will take place from **Monday 5th October 2026 to Friday 16th October 2026**.

To support students in their preparation, a range of resources and guidance has been made available on Google Classroom by teachers and the Year 10 Pastoral Team.

Students can access key information including:

- Their assessment timetable for core subjects
- Details of subject-specific revision lists
- General and subject-specific revision guidance
- Information to support their wellbeing during the assessment period

Each subject area has begun to prepare students for these assessments, including topic lists to help students focus their preparation effectively. We encourage students to use these resources to identify areas of strength and those requiring further revision.

In addition, targeted support is being provided through Personal Development time, where students will engage in structured revision activities designed to strengthen both subject knowledge and study skills.

Our aim is for all students to feel prepared for their first assessments and not overwhelmed.

If you have any questions or require further support, please do not hesitate to contact the Year 10 Pastoral Team.

Thank you for your continued support.

Yours faithfully

Mr J Sulola
Head of Year 10
